CHAPTER _____

An act to amend Sections 12070, 12072, 12078, and 12083 of the Penal Code, relating to firearms.

LEGISLATIVE COUNSEL'S DIGEST

SB 175, Aaenstad. Firearms.

Existing law, subject to exceptions, provides that no person shall sell, lease, or transfer firearms unless that person is licensed, as specified.

This bill would add exceptions to these provisions for the exchange of a firearm to or from a gunsmith for purposes of service or repair, and would exempt from these provisions, the delivery, sale, return, or transfer of certain firearms by persons holding certain permits, as specified.

Existing law provides that no person shall make an application to purchase more than one handgun within any 30-day period. Existing law also exempts various entities from this restriction.

This bill would add to the list of exempted entities community colleges that are certified by the Commission on Peace Officer Standards and Training to present the law enforcement academy basic course or other commission-certified law enforcement training.

Existing law provides that, commencing July 1, 2008, a person who is a federally licensed firearms dealer may not deliver, sell, or transfer a firearm to a person in California who is a federally licensed firearms dealer unless, prior to delivery, the person intending to deliver, sell, or transfer the firearm obtains a verification number via the Internet for the intended delivery, sale, or transfer, from the Department of Justice. One provision of law exempts from these verification number requirements any delivery, sale, or transfer of a short-barreled rifle, short-barreled shotgun, machinegun, or an assault weapon, as specified, while an alternate provision exempts from these verification number requirements only the lawful delivery, sale, or transfer of these weapons, as specified.

The bill would delete these exemptions from the verification number requirements. This bill would create additional exemptions

from the verification requirement for certain other firearms transactions.

Existing law requires the Department of Justice to maintain a centralized list of federal firearms licensees, as specified. Existing law authorizes the department to assess an annual fee on those licensees listed on that centralized list.

This bill would remove persons identifying themselves as federally licensed pawnbrokers from those required to be included in the centralized list, and would exempt persons possessing specified permits who are on the centralized list from the fee assessment.

This bill would incorporate additional changes to Section 12078 of the Penal Code proposed by SB 41, to become operative if this bill is enacted after SB 41.

The people of the State of California do enact as follows:

(4) (A) It is the intent of the Legislature that a violation of paragraph (2) or (3) shall not constitute a "continuing offense" and the statute of limitations for commencing a prosecution for a violation of paragraph (2) or (3) commences on the date that the applicable grace period specified in paragraph (2) or (3) expires.

(B) Paragraphs (2) and (3) shall not apply to a person who reports his or her ownership of a handgun after the applicable grace period specified in paragraph (2) or (3) expires if evidence of that violation arises only as the result of the person submitting the report described in paragraph (2) or (3).

(g) (1) Except as provided in paragraph (2), (3), or (5), a violation of this section is a misdemeanor.

Proper identification is defined as verifiable written certification from the head of the agency by which the purchaser or transferee is employed, identifying the purchaser or transferee as a peace officer who is authorized to carry firearms while in the performance of his or her duties, and authorizing the purchase or transfer. The certification shall be delivered to the dealer at the time of purchase or transfer and the purchaser or transferee shall identify himself or herself as the person authorized in the certification. The dealer shall keep the certification with the record of sale. On the date that the delivery, sale, or transfer is made, the dealer delivering the firearm shall transmit to the Department of Justice an electronic or telephonic report of the transaction as is indicated in subdivision (b) or (c) of Section 12077.

(2) Subdivision (b) of Section 12801 and the preceding provisions of this article do not apply to deliveries, transfers, or sales of firearms made to authorized law enforcement

representatives of cities, counties, cities and counties, or state or federal governments for exclusive use by those governmental agencies if, prior to the delivery, transfer, or sale of these firearms, written authorization from the head of the agency authorizing the transaction is presented to the person from whom the purchase, delivery, or transfer is being made. Proper written authorization is defined as verifiable written certification from the head of the agency by which the purchaser or transferee is employed, identifying the employee as an individual authorized to conduct the transaction, and authorizing the transaction for the exclusive use of the agency by which he or she is employed. Within 10 days of the date a handgun is acquired by the agency, a record of the same shall be entered as an institutional weapon into the Automated Firearms System (AFS) via the California Law Enforcement Telecommunications System (CLETS) by the law enforcement or state agency. Those agencies without access to AFS shall arrange with the sheriff of the county in which the agency is located to input this information via this system.

(3) Subdivision (b) of Section 12801 and the preceding provisions of this article do not apply to the loan of a firearm made by an authorized law enforcement representative of a city, county, or city and county, or the state or federal government to a peace officer employed by that agency and authorized to carry a firearm for the carrying and use of that firearm by that peace officer in the course and scope of his or her duties.

(4) Subdivision (b) of Section 12801 and the preceding provisions of this article do not apply to the delivery, sale, or transfer of a firearm by a law enforcement agency to a peace officer pursuant to Section 10334 of the Public Contract Code. Within 10 days of the date that a handgun is sold, delivered, or transferred pursuant to Section 10334 of the Public Contract Code to that peace officer, the name of the officer and the make, model, serial number, and other identifying characteristics of the firearm being sold, transferred, or delivered shall be entered into the Automated Firearms System (AFS) via the California Law Enforcement Telecommunications System (CLETS) by the law enforcement or state agency that sold, transferred, or delivered the firearm. Those agencies without access to AFS shall arrange with the sheriff of the county in which the agency is located to input this information via this system.

(5) Subdivision (b) of Section 12801 and the preceding provisions of this article do not apply to the delivery, sale, or transfer of a firearm by a law enforcement agency to a retiring peace officer who is authorized to carry a firearm pursuant to Section 12027.1. Within 10 days of the date that a handgun is sold, delivered, or transferred to that retiring peace officer, the name of the officer and the make, model, serial number, and other identifying characteristics of the firearm being sold, transferred, or delivered shall be entered into the Automated Firearms System (AFS) via the California Law Enforcement Telecommunications System (CLETS) by the law enforcement or state agency that sold, transferred, or delivered the firearm. Those agencies without access to AFS shall arrange with the sheriff of the county in which the agency is located to input this information via this system.

(6) Subdivision (d) of Section 12072 and subdivision (b) of Section 12801 do not apply to sales, deliveries, or transfers of firearms to authorized representatives of cities, cities and counties, counties, or state or federal governments for those governmental agencies where the entity is acquiring the weapon as part of an authorized, voluntary program where the entity is buying or receiving weapons from private individuals. Any weapons acquired pursuant to this paragraph shall be disposed of pursuant to the applicable provisions of Section 12028 or 12032.
