February 23, 2009

An act to add Section 92034 to the Education Code, to amend Section 6252 of, and to add Section 6254.30 to, the Government Code, relating to public records.

LEGISLATIVE COUNSEL'S DIGEST

SB 218, as amended, Yee. Public records: state agency: ~~nonprofit entity~~. *auxiliary organizations*.

The California Public Records Act requires state and local agencies to make their records available for public inspection and to make copies available upon request and payment of a fee unless they are exempt from disclosure. The act defines the terms "local agency" and "state agency" for purposes of the act.

This bill would revise the definition of the term "local agency" to additionally include auxiliary organizations established for the purpose of providing support services and specialized programs for the general

benefit of a community college, or a nonprofit entity that operates certain campus facilities, as specified, at a community college.

This bill would revise the definition of the term “state agency” to additionally include any entity in which an official of the University of California or the California State University participates as a director as part of his or her official duties, any entity that operates a commercial service for either of those entities, or any entity that has as its purpose to promote the campuses of either institution. The bill would include any entity whose governing instrument provides that it is to receive gifts, property, and funds to be used for the benefit of either institution, and has any of its directors, governors, or trustees either appointed or nominated by the respective institutions. The bill would also include any entity that has any of its directors, governors, or trustees appointed, nominated, or subject to approval by the regents or trustees and whose purpose is to promote the regents or the trustees, or to receive gifts, property, and funds on behalf of the regents or trustees.

The bill would also include in the definition of “state agency” any entity that is designated as an auxiliary organization by the regents or the trustees, and also any student body organization established for the purpose of providing certain essential activities at a California State University under the supervision of university officials.

The bill would exempt from disclosure under the California Public Records Act the names of individuals who donate to specified entities if those individuals request anonymity. However, the bill would provide that this exemption does not apply if a donor, in a quid pro quo arrangement, receives anything that has more than a nominal value in exchange for the donation.

This bill would also provide that it is the intent of the Legislature to reject the court’s interpretation of state law regarding the application of the act to auxiliary organizations, such as the CSU Fresno Association, at issue in *California State University, Fresno Assn., Inc. v. Superior Court* (2001) 90 Cal.App. 4th 810.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.
