An act to amend Sections 65584.05 and 66412 of the Government Code, to amend Sections 18031.7, 18062.9, 33334.14, and 53545.9 of the Health and Safety Code, and to amend Sections 3692.4, 12206, 17058, and 23610.5 of the Revenue and Taxation Code, relating to housing.

LEGISLATIVE COUNSEL'S DIGEST

SB 251, as amended, Committee on Transportation and Housing. Housing and community development: housing omnibus bill.

(1) Existing law requires each city, county, or city and county to prepare and adopt a general plan for its jurisdiction that contains certain mandatory elements, including a housing element. One part of the housing element is an assessment of housing needs and an inventory of resources and constraints relevant to meeting those needs. The assessment includes the locality's share of the regional housing need. That share is determined by the appropriate council of governments, subject to revision by the Department of Housing and Community Development. The council of governments is also required to issue a

proposed final allocation plan and to hold a public hearing to adopt a final allocation plan.

This bill would require the council of governments to submit its final allocation plan to the department within 3 days of adoption. The bill would specify that the department determine whether the plan is consistent with the existing and projected housing need for the region within 60 days from the date of its receipt of the final allocation plan adopted by the council of governments.

(2) Existing law exempts from the requirements of the Subdivision Map Act specified types of property, including the conversion of a community apartment project, and the conversion of a stock cooperative, unless a parcel or final map was approved by the legislative body of a local agency, if specified requirements are met.

This bill would modify the requirements for an exemption relating to the conversion of a community apartment project and stock cooperative.

(3) Existing law authorizes a manufactured home manufacturer to sell manufactured homes, as defined, directly to a licensed California general building contractor, as defined, when specified conditions are met.

This bill would additionally authorize a manufactured home manufacturer to sell manufactured homes, as defined, directly to a nonprofit corporation, as defined, that is also a Community Housing Development Organization, as defined, when specified conditions are met.

(4) Existing law requires all fuel-gas-burning water heater appliances in new manufactured homes or new multifamily manufactured homes installed in the state to be seismically braced, anchored, or strapped. In the event of a sale of a home, the homeowner or contractor responsible for the installation of the home is required to ensure all fuel-gas-burning water heater appliances are seismically braced, anchored, or strapped, consistent with existing law. The requirement is satisfied when the homeowner or responsible contractor both completes that work and signs a declaration stating each fuel-gas-burning water heater is secured.

This bill would instead provide that the requirement is satisfied when the homeowner or responsible contractor signs the declaration.

(5) Existing law establishes the Affordable Housing Revolving Development and Acquisition Program under the administration of the Department of Housing and Community Development. Existing law requires that funds in the Affordable Housing Innovation Fund be

allocated in the amount of \$35,000,000 for a local housing trust fund matching grant program established under a specified provision of existing law. Existing law prescribes various funding preferences and set-aside requirements upon the department with respect to these allocated funds.

This bill would, notwithstanding specified provisions of existing law, impose new requirements regarding the availability of funds for encumbrance for newly established housing trust funds, the disbursements in liquidation of the encumbrance, and the reversion of funds not encumbered, as specified.

(6) This bill would correct erroneous cross-references, and make various other technical changes in existing law relating to housing.

(7) This bill would incorporate additional changes in Section 66412 of the Government Code proposed by SB 113, that would become operative only if SB 113 and this bill are both chaptered and become effective on or before January 1, 2010, and this bill is chaptered last.

(8) *This bill would also incorporate additional changes in Section 53545.9 of the Health and Safety Code proposed by AB 570, that would become operative only if AB 570 and this bill are both chaptered and become effective on or before January 1, 2010, and this bill is chaptered last.*

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*

1 SECTION 1. Section 65584.05 of the Government Code is  
2 amended to read:  
3 65584.05. (a) At least one and one-half years prior to the  
4 scheduled revision required by Section 65588, each council of  
5 governments and delegate subregion, as applicable, shall distribute  
6 a draft allocation of regional housing needs to each local  
7 government in the region or subregion, where applicable, based  
8 on the methodology adopted pursuant to Section 65584.04. The  
9 draft allocation shall include the underlying data and methodology  
10 on which the allocation is based. It is the intent of the Legislature  
11 that the draft allocation should be distributed prior to the  
12 completion of the update of the applicable regional transportation  
13 plan. The draft allocation shall distribute to localities and  
14 subregions, if any, within the region the entire regional housing

1 need determined pursuant to Section 65584.01 or within  
2 subregions, as applicable, the subregion's entire share of the  
3 regional housing need determined pursuant to Section 65584.03.

4 (b) Within 60 days following receipt of the draft allocation, a  
5 local government may request from the council of governments  
6 or the delegate subregion, as applicable, a revision of its share of  
7 the regional housing need in accordance with the factors described  
8 in paragraphs (1) to (9), inclusive, of subdivision (d) of Section  
9 65584.04, including any information submitted by the local  
10 government to the council of governments pursuant to subdivision  
11 (b) of that section. The request for a revised share shall be based  
12 upon comparable data available for all affected jurisdictions and  
13 accepted planning methodology, and supported by adequate  
14 documentation.

15 (c) Within 60 days after the request submitted pursuant to  
16 subdivision (b), the council of governments or delegate subregion,  
17 as applicable, shall accept the proposed revision, modify its earlier  
18 determination, or indicate, based upon the information and  
19 methodology described in Section 65584.04, why the proposed  
20 revision is inconsistent with the regional housing need.

21 (d) If the council of governments or delegate subregion, as  
22 applicable, does not accept the proposed revised share or modify  
23 the revised share to the satisfaction of the requesting party, the  
24 local government may appeal its draft allocation based upon either  
25 or both of the following criteria:

26 (1) The council of governments or delegate subregion, as  
27 applicable, failed to adequately consider the information submitted  
28 pursuant to subdivision (b) of Section 65584.04, or a significant  
29 and unforeseen change in circumstances has occurred in the local  
30 jurisdiction that merits a revision of the information submitted  
31 pursuant to that subdivision.

32 (2) The council of governments or delegate subregion, as  
33 applicable, failed to determine its share of the regional housing  
34 need in accordance with the information described in, and the  
35 methodology established pursuant to Section 65584.04.

36 (e) The council of governments or delegate subregion, as  
37 applicable, shall conduct public hearings to hear all appeals within  
38 60 days after the date established to file appeals. The local  
39 government shall be notified within 10 days by certified mail,  
40 return receipt requested, of at least one public hearing on its appeal.

1 The date of the hearing shall be at least 30 days and not more than  
 2 35 days after the date of the notification. Before taking action on  
 3 an appeal, the council of governments or delegate subregion, as  
 4 applicable, shall consider all comments, recommendations, and  
 5 available data based on accepted planning methodologies submitted  
 6 by the appellant. The final action of the council of governments  
 7 or delegate subregion, as applicable, on an appeal shall be in  
 8 writing and shall include information and other evidence explaining  
 9 how its action is consistent with this article. The final action on  
 10 an appeal may require the council of governments or delegate  
 11 subregion, as applicable, to adjust the allocation of a local  
 12 government that is not the subject of an appeal.

13 (f) The council of governments or delegate subregion, as  
 14 applicable, shall issue a proposed final allocation within 45 days  
 15 after the completion of the 60-day period for hearing appeals. The  
 16 proposed final allocation plan shall include responses to all  
 17 comments received on the proposed draft allocation and reasons  
 18 for any significant revisions included in the final allocation.

19 (g) In the proposed final allocation plan, the council of  
 20 governments or delegate subregion, as applicable, shall adjust  
 21 allocations to local governments based upon the results of the  
 22 revision request process and the appeals process specified in this  
 23 section. If the adjustments total 7 percent or less of the regional  
 24 housing need determined pursuant to Section 65584.01, or, as  
 25 applicable, total 7 percent or less of the subregion's share of the  
 26 regional housing need as determined pursuant to Section 65584.03,  
 27 then the council of governments or delegate subregion, as  
 28 applicable, shall distribute the adjustments proportionally to all  
 29 local governments. If the adjustments total more than 7 percent of  
 30 the regional housing need, then the council of governments or  
 31 delegate subregion, as applicable, shall develop a methodology to  
 32 distribute the amount greater than the 7 percent to local  
 33 governments. In no event shall the total distribution of housing  
 34 need equal less than the regional housing need, as determined  
 35 pursuant to Section 65584.01, nor shall the subregional distribution  
 36 of housing need equal less than its share of the regional housing  
 37 need as determined pursuant to Section 65584.03. Two or more  
 38 local governments may agree to an alternate distribution of  
 39 appealed housing allocations between the affected local  
 40 governments. If two or more local governments agree to an

1 alternative distribution of appealed housing allocations that  
2 maintains the total housing need originally assigned to these  
3 communities, then the council of governments shall include the  
4 alternative distribution in the final allocation plan.

5 (h) Within 45 days after the issuance of the proposed final  
6 allocation plan by the council of governments and each delegate  
7 subregion, as applicable, the council of governments shall hold a  
8 public hearing to adopt a final allocation plan. To the extent that  
9 the final allocation plan fully allocates the regional share of  
10 statewide housing need, as determined pursuant to Section  
11 65584.01, the council of governments shall have final authority  
12 to determine the distribution of the region's existing and projected  
13 housing need as determined pursuant to Section 65584.01. The  
14 council of governments shall submit its final allocation plan to the  
15 department within three days of adoption. Within 60 days after  
16 the department's receipt of the final allocation plan adopted by the  
17 council of governments, the department shall determine whether  
18 or not the final allocation plan is consistent with the existing and  
19 projected housing need for the region, as determined pursuant to  
20 Section 65584.01. The department may revise the determination  
21 of the council of governments if necessary to obtain this  
22 consistency.

23 (i) Any authority of the council of governments to review and  
24 revise the share of a city or county of the regional housing need  
25 under this section shall not constitute authority to revise, approve,  
26 or disapprove the manner in which the share of the city or county  
27 of the regional housing need is implemented through its housing  
28 program.

29 SEC. 2. Section 66412 of the Government Code is amended  
30 to read:

31 66412. This division shall be inapplicable to any of the  
32 following:

33 (a) The financing or leasing of apartments, offices, stores, or  
34 similar space within apartment buildings, industrial buildings,  
35 commercial buildings, mobilehome parks, or trailer parks.

36 (b) Mineral, oil, or gas leases.

37 (c) Land dedicated for cemetery purposes under the Health and  
38 Safety Code.

39 (d) A lot line adjustment between four or fewer existing  
40 adjoining parcels, where the land taken from one parcel is added

to an adjoining parcel, and where a greater number of parcels than originally existed is not thereby created, if the lot line adjustment is approved by the local agency, or advisory agency. A local agency or advisory agency shall limit its review and approval to a determination of whether or not the parcels resulting from the lot line adjustment will conform to the local general plan, any applicable specific plan, any applicable coastal plan, and zoning and building ordinances. An advisory agency or local agency shall not impose conditions or exactions on its approval of a lot line adjustment except to conform to the local general plan, any applicable specific plan, any applicable coastal plan, and zoning and building ordinances, to require the prepayment of real property taxes prior to the approval of the lot line adjustment, or to facilitate the relocation of existing utilities, infrastructure, or easements. No tentative map, parcel map, or final map shall be required as a condition to the approval of a lot line adjustment. The lot line adjustment shall be reflected in a deed, which shall be recorded. No record of survey shall be required for a lot line adjustment unless required by Section 8762 of the Business and Professions Code.

(e) Boundary line or exchange agreements to which the State Lands Commission or a local agency holding a trust grant of tide and submerged lands is a party.

(f) Any separate assessment under Section 2188.7 of the Revenue and Taxation Code.

(g) The conversion of a community apartment project, as defined in Section 1351 of the Civil Code, to a condominium, as defined in Section 783 of the Civil Code, but only if all of the following requirements are met:

(1) The property was subdivided before January 1, 1982, as evidenced by a recorded deed creating the community apartment project.

(2) Subject to compliance with subdivision (e) of Section 1351 of the Civil Code, all conveyances and other documents necessary to effectuate the conversion shall be executed by the required number of owners in the project as specified in the bylaws or other organizational documents. If the bylaws or other organizational documents do not expressly specify the number of owners necessary to execute the conveyances and other documents, a majority of owners in the project shall be required to execute the

1 conveyances or other documents. Conveyances and other  
2 documents executed under the foregoing provisions shall be  
3 binding upon and affect the interests of all parties in the project.

4 (3) If subdivision, as defined in Section 66424, of the property  
5 occurred after January 1, 1964, both of the following requirements  
6 are met:

7 (A) A final or parcel map of that subdivision was approved by  
8 the local agency and recorded, with all of the conditions of that  
9 map remaining in effect after the conversion.

10 (B) No more than 49 percent of the units in the project were  
11 owned by any one person as defined in Section 17, including an  
12 incorporator or director of the community apartment project, on  
13 January 1, 1982.

14 (4) The local agency certifies that the above requirements were  
15 satisfied if the local agency, by ordinance, provides for that  
16 certification.

17 (h) The conversion of a stock cooperative, as defined in Section  
18 1351 of the Civil Code, to a condominium, as defined in Section  
19 783 of the Civil Code, but only if all of the following requirements  
20 are met:

21 (1) The property was subdivided before January 1, 1982, as  
22 evidenced by a recorded deed creating the stock cooperative, an  
23 assignment of lease, or issuance of shares to a stockholder.

24 (2) A person renting a unit in a cooperative shall be entitled at  
25 the time of conversion to all tenant rights in state or local law,  
26 including, but not limited to, rights respecting first refusal, notice,  
27 and displacement and relocation benefits.

28 (3) Subject to compliance with subdivision (e) of Section 1351  
29 of the Civil Code, all conveyances and other documents necessary  
30 to effectuate the conversion shall be executed by the required  
31 number of owners in the cooperative as specified in the bylaws or  
32 other organizational documents. If the bylaws or other  
33 organizational documents do not expressly specify the number of  
34 owners necessary to execute the conveyances and other documents,  
35 a majority of owners in the cooperative shall be required to execute  
36 the conveyances or other documents. Conveyances and other  
37 documents executed under the foregoing provisions shall be  
38 binding upon and affect the interests of all parties in the  
39 cooperative.

1 (4) If subdivision, as defined in Section 66424, of the property  
2 occurred after January 1, 1980, both of the following requirements  
3 are met:

4 (A) A final or parcel map of that subdivision was approved by  
5 the local agency and recorded, with all of the conditions of that  
6 map remaining in effect after the conversion.

7 (B) No more than 49 percent of the shares in the project were  
8 owned by any one person as defined in Section 17, including an  
9 incorporator or director of the cooperative, on January 1, 1982.

10 (5) The local agency certifies that the above requirements were  
11 satisfied if the local agency, by ordinance, provides for that  
12 certification.

13 (i) The leasing of, or the granting of an easement to, a parcel of  
14 land, or any portion or portions thereof, in conjunction with the  
15 financing, erection, and sale or lease of a windpowered electrical  
16 generation device on the land, if the project is subject to  
17 discretionary action by the advisory agency or legislative body.

18 (j) The leasing or licensing of a portion of a parcel, or the  
19 granting of an easement, use permit, or similar right on a portion  
20 of a parcel, to a telephone corporation as defined in Section 234  
21 of the Public Utilities Code, exclusively for the placement and  
22 operation of cellular radio transmission facilities, including, but  
23 not limited to, antennae support structures, microwave dishes,  
24 structures to house cellular communications transmission  
25 equipment, power sources, and other equipment incidental to the  
26 transmission of cellular communications, if the project is subject  
27 to discretionary action by the advisory agency or legislative body.

28 (k) Leases of agricultural land for agricultural purposes. As used  
29 in this subdivision, “agricultural purposes” means the cultivation  
30 of food or fiber, or the grazing or pasturing of livestock.

31 (l) The leasing of, or the granting of an easement to, a parcel of  
32 land, or any portion or portions thereof, in conjunction with the  
33 financing, erection, and sale or lease of a solar electrical generation  
34 device on the land, if the project is subject to review under other  
35 local agency ordinances regulating design and improvement or, if  
36 the project is subject to other discretionary action by the advisory  
37 agency or legislative body.

38 SEC. 2.5. Section 66412 of the Government Code is amended  
39 to read:

1 66412. This division shall be inapplicable to any of the  
2 following:

3 (a) The financing or leasing of apartments, offices, stores, or  
4 similar space within apartment buildings, industrial buildings,  
5 commercial buildings, mobilehome parks, or trailer parks.

6 (b) Mineral, oil, or gas leases.

7 (c) Land dedicated for cemetery purposes under the Health and  
8 Safety Code.

9 (d) A lot line adjustment between four or fewer existing  
10 adjoining parcels, where the land taken from one parcel is added  
11 to an adjoining parcel, and where a greater number of parcels than  
12 originally existed is not thereby created, if the lot line adjustment  
13 is approved by the local agency, or advisory agency. A local agency  
14 or advisory agency shall limit its review and approval to a  
15 determination of whether or not the parcels resulting from the lot  
16 line adjustment will conform to the local general plan, any  
17 applicable specific plan, any applicable coastal plan, and zoning  
18 and building ordinances. An advisory agency or local agency shall  
19 not impose conditions or exactions on its approval of a lot line  
20 adjustment except to conform to the local general plan, any  
21 applicable specific plan, any applicable coastal plan, and zoning  
22 and building ordinances, to require the prepayment of real property  
23 taxes prior to the approval of the lot line adjustment, or to facilitate  
24 the relocation of existing utilities, infrastructure, or easements. No  
25 tentative map, parcel map, or final map shall be required as a  
26 condition to the approval of a lot line adjustment. The lot line  
27 adjustment shall be reflected in a deed, which shall be recorded.  
28 No record of survey shall be required for a lot line adjustment  
29 unless required by Section 8762 of the Business and Professions  
30 Code. A local agency shall approve or disapprove a lot line  
31 adjustment pursuant to the Permit Streamlining Act (Chapter 4.5  
32 (commencing with Section 65920) of Division 1).

33 (e) Boundary line or exchange agreements to which the State  
34 Lands Commission or a local agency holding a trust grant of tide  
35 and submerged lands is a party.

36 (f) Any separate assessment under Section 2188.7 of the  
37 Revenue and Taxation Code.

38 (g) The conversion of a community apartment project, as  
39 defined in Section 1351 of the Civil Code, to a condominium, as

1 defined in Section 783 of the Civil Code, but only if all of the  
2 following requirements are met:

5 project.

6 (2) Subject to compliance with subdivision (e) of Section 1351  
7 of the Civil Code, all conveyances and other documents necessary  
8 to effectuate the conversion shall be executed by the required  
9 number of owners in the project as specified in the bylaws or other  
10 organizational documents. If the bylaws or other organizational  
11 documents do not expressly specify the number of owners  
12 necessary to execute the conveyances and other documents, a  
13 majority of owners in the project shall be required to execute the  
14 conveyances or other documents. Conveyances and other  
15 documents executed under the foregoing provisions shall be  
16 binding upon and affect the interests of all parties in the project.

17 (3) If subdivision, as defined in Section 66424, of the property  
18 occurred after January 1, 1964, both of the following requirements  
19 are met:

20 (A) A final or parcel map of that subdivision was approved by  
21 the local agency and recorded, with all of the conditions of that  
22 map remaining in effect after the conversion.

23 (B) No more than 49 percent of the units in the project were  
24 owned by any one person as defined in Section 17, including an  
25 incorporator or director of the community apartment project, on  
26 January 1, 1982.

27 (4) The local agency certifies that the above requirements were  
28 satisfied if the local agency, by ordinance, provides for that  
29 certification.

30 (h) The conversion of a stock cooperative, as defined in Section  
31 1351 of the Civil Code, to a condominium, as defined in Section  
32 783 of the Civil Code, but only if all of the following requirements  
33 are met:

34 (1) The property was subdivided before January 1, 1982, as  
35 evidenced by a recorded deed creating the stock cooperative, an  
36 assignment of lease, or issuance of shares to a stockholder.

37 (2) A person renting a unit in a cooperative shall be entitled at  
38 the time of conversion to all tenant rights in state or local law,  
39 including, but not limited to, rights respecting first refusal, notice,  
40 and displacement and relocation benefits.

(3) Subject to compliance with subdivision (e) of Section 1351 of the Civil Code, all conveyances and other documents necessary to effectuate the conversion shall be executed by the required number of owners in the cooperative as specified in the bylaws or other organizational documents. If the bylaws or other organizational documents do not expressly specify the number of owners necessary to execute the conveyances and other documents, a majority of owners in the cooperative shall be required to execute the conveyances or other documents. Conveyances and other documents executed under the foregoing provisions shall be binding upon and affect the interests of all parties in the cooperative.

(4) If subdivision, as defined in Section 66424, of the property occurred after January 1, 1980, both of the following requirements are met:

(A) A final or parcel map of that subdivision was approved by the local agency and recorded, with all of the conditions of that map remaining in effect after the conversion.

(B) No more than 49 percent of the shares in the project were owned by any one person as defined in Section 17, including an incorporator or director of the cooperative, on January 1, 1982.

(5) The local agency certifies that the above requirements were satisfied if the local agency, by ordinance, provides for that certification.

(i) The leasing of, or the granting of an easement to, a parcel of land, or any portion or portions thereof, in conjunction with the financing, erection, and sale or lease of a windpowered electrical generation device on the land, if the project is subject to discretionary action by the advisory agency or legislative body.

(j) The leasing or licensing of a portion of a parcel, or the granting of an easement, use permit, or similar right on a portion of a parcel, to a telephone corporation as defined in Section 234 of the Public Utilities Code, exclusively for the placement and operation of cellular radio transmission facilities, including, but not limited to, antennae support structures, microwave dishes, structures to house cellular communications transmission equipment, power sources, and other equipment incidental to the transmission of cellular communications, if the project is subject to discretionary action by the advisory agency or legislative body.

1 (k) Leases of agricultural land for agricultural purposes. As used  
2 in this subdivision, “agricultural purposes” means the cultivation  
3 of food or fiber, or the grazing or pasturing of livestock.

4 (l) The leasing of, or the granting of an easement to, a parcel of  
5 land, or any portion or portions thereof, in conjunction with the  
6 financing, erection, and sale or lease of a solar electrical generation  
7 device on the land, if the project is subject to review under other  
8 local agency ordinances regulating design and improvement or, if  
9 the project is subject to other discretionary action by the advisory  
10 agency or legislative body.

11 (m) The leasing of, or the granting of an easement to, a parcel  
12 of land or any portion or portions of the land in conjunction with  
13 a biogas project that uses, as part of its operation, agricultural waste  
14 or byproducts from the land where the project is located and  
15 reduces overall emissions of greenhouse gases from agricultural  
16 operations on the land if the project is subject to review under  
17 other local agency ordinances regulating design and improvement  
18 or if the project is subject to discretionary action by the advisory  
19 agency or legislative body.

20 SEC. 3. Section 18031.7 of the Health and Safety Code is  
21 amended to read:

22 18031.7. (a) Nothing in this part shall prohibit the replacement  
23 of water heaters in manufactured homes or mobilehomes with  
24 fuel-gas-burning water heaters not specifically listed for use in a  
25 manufactured home or mobilehome or from having hot water  
26 supplied from an approved source within the manufactured home  
27 or mobilehome, or in the garage, in accordance with this part or  
28 Part 2.1 (commencing with Section 18200).

29 (b) Nothing in this part shall prohibit the replacement of  
30 appliances for comfort heating in manufactured homes,  
31 mobilehomes, or multifamily manufactured homes with fuel-gas  
32 appliances for comfort heating not specifically listed for use in a  
33 manufactured home or mobilehome within the manufactured home,  
34 mobilehome, or multifamily manufactured home in accordance  
35 with this part, Part 2.1 (commencing with Section 18200), or Part

15 SEC. 7. Section 3692.4 of the Revenue and Taxation Code is  
16 amended to read:

17 3692.4. (a) Notwithstanding any other provision of law, any  
18 county, city, city and county, or any nonprofit organization as  
19 defined in Section 3772.5, may request the tax collector to bring  
20 to the next scheduled public auction any residential real property  
21 that meets all of the following requirements:

22 (1) The property taxes have been delinquent for at least three  
23 years.

24 (2) The real property will serve the public benefit of providing  
25 housing directly related to low-income persons.

26 (3) The real property is not occupied by the owner as his or her  
27 principal place of residence.

28 (b) Every request submitted to the tax collector shall include  
29 the following:

30 (1) A formal resolution of the governing board of the county,  
31 city, city and county, or nonprofit organization, requesting the  
32 accelerated auction of the real property and stating the public  
33 benefit.

34 (2) A written plan for the development, rehabilitation, or  
35 proposed use of the real property and how low-income persons

(B) To the extent not in conflict with another public funding source or law, all of the following shall apply to an equity-sharing agreement provided for by the deed:

(i) Upon resale by an owner-occupant of the home, the owner-occupant of the home shall retain the market value of any improvements, the downpayment, and his or her proportionate share of appreciation. The nonprofit organization shall recapture any initial subsidy and its proportionate share of appreciation, which shall then be used for the purpose of providing financial assistance to low-income homebuyers.

(ii) For purposes of this subdivision, the initial subsidy shall be equal to the fair market value of the home at the time of initial sale to the low-income owner-occupant minus the initial sale price to the low-income owner-occupant, plus the amount of any downpayment assistance or mortgage assistance. If upon resale by the owner-occupant the market value is lower than the initial market value, then the value at the time of the resale shall be used as the initial market value.

(iii) For purposes of this subdivision, the nonprofit organization's proportionate share of appreciation shall be equal to the ratio of the initial subsidy to the fair market value of the home at the time of initial sale.

(e) This section may not be construed to preclude the application, to the real property or the current owners of that property, of any other provision of law not in conflict with this section.

9 preliminary reservation of federal low-income housing tax credits.

10 (iii) This subparagraph shall cease to be operative with respect  
11 to any project that receives a preliminary reservation of a credit

18 Allocation Committee certification to the taxpayer.

19 (C) The taxpayer shall attach a copy of the certification to any

22 for the year to the return in which a tax credit is claimed under this  
23 section, no credit under this section shall be allowed for that year  
24 until a copy of that certification is provided.

25 (E) All elections made by the taxpayer pursuant to Section 42

29 the close of the first taxable year of the credit period.

30 (B) The amount of the cashflow from those units in the building

34 Section 42 of the Internal Revenue Code.

35 (C) Any amount allowed to be distributed under subparagraph  
36 (A) that is not available for distribution during the first five years  
37 of the compliance period may accumulate and be distributed any  
38 time during the first 15 years of the compliance period but not  
39 thereafter.

(2) The limitation on return shall apply in the aggregate to the partners if the housing sponsor is a partnership and in the aggregate to the shareholders if the housing sponsor is an “S” corporation.

(3) The housing sponsor shall apply any cash available for distribution in excess of the amount eligible to be distributed under paragraph (1) to reduce the rent on rent-restricted units or to increase the number of rent-restricted units subject to the tests of Section 42(g)(1) of the Internal Revenue Code.

If, as of the close of any taxable year in the compliance period, after the first year of the credit period, the qualified basis of any building exceeds the qualified basis of that building as of the close of the first year of the credit period, the housing sponsor, to the extent of its tax credit allocation, shall be eligible for a credit on the excess in an amount equal to the applicable percentage determined pursuant to subdivision (c) for the four-year period beginning with the later of the taxable years in which the increase in qualified basis occurs.

(f) The provisions of Section 42(h) of the Internal Revenue Code shall be modified as follows:

(1) Section 42(h)(2) of the Internal Revenue Code shall not be applicable and instead the following provisions shall be applicable:

The total amount for the four-year credit period of the housing credit dollars allocated in a calendar year to any building shall reduce the aggregate housing credit dollar amount of the California Tax Credit Allocation Committee for the calendar year in which the allocation is made.

(2) Paragraphs (3), (4), (5), (6)(E)(i)(II), (6)(F), (6)(G), (6)(I), (7), and (8) of Section 42(h) of the Internal Revenue Code shall not be applicable.

(2) The unused housing credit ceiling, if any, for the preceding calendar years.

(3) The amount of housing credit ceiling returned in the calendar year. For purposes of this paragraph, the amount of housing credit dollar amount returned in the calendar year equals the housing credit dollar amount previously allocated to any project that does not become a qualified low-income housing project within the period required by this section or to any project with respect to which an allocation is canceled by mutual consent of the California Tax Credit Allocation Committee and the allocation recipient.

(4) Five hundred thousand dollars (\$500,000) per calendar year for projects to provide farmworker housing, as defined in subdivision (h) of Section 50199.7 of the Health and Safety Code.

(5) The amount of any unallocated or returned credits under former Sections 17053.14, 23608.2, and 23608.3, as those sections read prior to January 1, 2009, until fully exhausted for projects to provide farmworker housing, as defined in subdivision (h) of Section 50199.7 of the Health and Safety Code.

(2) The requirements of this section shall be set forth in a regulatory agreement between the California Tax Credit Allocation Committee and the housing sponsor, which agreement shall be

1 subordinated, when required, to any lien or encumbrance of any  
2 banks or other institutional lenders to the project. The regulatory  
3 agreement entered into pursuant to subdivision (f) of Section  
4 50199.14 of the Health and Safety Code, shall apply, providing  
5 the agreement includes all of the following provisions:

6 (A) A term not less than the compliance period.

7 (B) A requirement that the agreement be filed in the official  
8 records of the county in which the qualified low-income housing  
9 project is located.

10 (C) A provision stating which state and local agencies can  
11 enforce the regulatory agreement in the event the housing sponsor  
12 fails to satisfy any of the requirements of this section.

13 (D) A provision that the regulatory agreement shall be deemed  
14 a contract enforceable by tenants as third-party beneficiaries thereto  
15 and which allows individuals, whether prospective, present, or  
16 former occupants of the building, who meet the income limitation  
17 applicable to the building, the right to enforce the regulatory  
18 agreement in any state court.

19 (E) A provision incorporating the requirements of Section 42  
20 of the Internal Revenue Code as modified by this section.

24 determination by the Internal Revenue Service that the project is  
25 not in compliance with Section 42(g) of the Internal Revenue Code.

26 (G) A requirement that the housing sponsor, as security for the  
27 performance of the housing sponsor's obligations under the  
28 regulatory agreement, assign the housing sponsor's interest in rents  
29 that it receives from the project, provided that until there is a  
30 default under the regulatory agreement, the housing sponsor is  
31 entitled to collect and retain the rents.

32 (H) The remedies available in the event of a default under the  
33 regulatory agreement that is not cured within a reasonable cure  
34 period, include, but are not limited to, allowing any of the parties  
35 designated to enforce the regulatory agreement to collect all rents  
36 with respect to the project; taking possession of the project and  
37 operating the project in accordance with the regulatory agreement  
38 until the enforcer determines the housing sponsor is in a position  
39 to operate the project in accordance with the regulatory agreement;  
40 applying to any court for specific performance; securing the

1 appointment of a receiver to operate the project; or any other relief  
2 as may be appropriate.

3 (j) (1) The committee shall allocate the housing credit on a  
4 regular basis consisting of two or more periods in each calendar  
5 year during which applications may be filed and considered. The  
6 committee shall establish application filing deadlines, the maximum  
7 percentage of federal and state low-income housing tax credit  
8 ceiling which may be allocated by the committee in that period,  
9 and the approximate date on which allocations shall be made. If  
10 the enactment of federal or state law, the adoption of rules or  
11 regulations, or other similar events prevent the use of two allocation  
12 periods, the committee may reduce the number of periods and  
13 adjust the filing deadlines, maximum percentage of credit allocated,  
14 and the allocation dates.

15 (2) The committee shall adopt a qualified allocation plan, as  
16 provided in Section 42(m)(1) of the Internal Revenue Code. In  
17 adopting this plan, the committee shall comply with the provisions  
18 of Sections 42(m)(1)(B) and 42(m)(1)(C) of the Internal Revenue  
19 Code.

20 (3) Notwithstanding Section 42(m) of the Internal Revenue  
21 Code, the California Tax Credit Allocation Committee shall  
22 allocate housing credits in accordance with the qualified allocation  
23 plan and regulations, which shall include the following provisions:

24 (A) All housing sponsors, as defined by paragraph (3) of  
25 subdivision (a), shall demonstrate at the time the application is  
26 filed with the committee that the project meets the following  
27 threshold requirements:

28 (i) The housing sponsor shall demonstrate there is a need and  
29 demand for low-income housing in the community or region for  
30 which it is proposed.

31 (ii) The project's proposed financing, including tax credit  
32 proceeds, shall be sufficient to complete the project and that the  
33 proposed operating income shall be adequate to operate the project  
34 for the extended use period.

35 (iii) The project shall have enforceable financing commitments,  
36 either construction or permanent financing, for at least 50 percent  
37 of the total estimated financing of the project.

38 (iv) The housing sponsor shall have and maintain control of the  
39 site for the project.

1 (v) The housing sponsor shall demonstrate that the project  
2 complies with all applicable local land use and zoning ordinances.

3 (vi) The housing sponsor shall demonstrate that the project  
4 development team has the experience and the financial capacity  
5 to ensure project completion and operation for the extended use  
6 period.

7 (vii) The housing sponsor shall demonstrate the amount of tax  
8 credit that is necessary for the financial feasibility of the project  
9 and its viability as a qualified low-income housing project  
10 throughout the extended use period, taking into account operating  
11 expenses, a supportable debt service, reserves, funds set aside for  
12 rental subsidies, and required equity, and a development fee that  
13 does not exceed a specified percentage of the eligible basis of the  
14 project prior to inclusion of the development fee in the eligible  
15 basis, as determined by the committee.

16 (B) The committee shall give a preference to those projects  
17 satisfying all of the threshold requirements of subparagraph (A)  
18 if both of the following apply:

19 (i) The project serves the lowest income tenants at rents  
20 affordable to those tenants.

21 (ii) The project is obligated to serve qualified tenants for the  
22 longest period.

23 (C) In addition to the provisions of subparagraphs (A) and (B),  
24 the committee shall use the following criteria in allocating housing  
25 credits:

26 (i) Projects serving large families in which a substantial number,  
27 as defined by the committee, of all residential units is comprised  
28 of low-income units with three and more bedrooms.

29 (ii) Projects providing single room occupancy units serving very  
30 low income tenants.

31 (iii) Existing projects that are “at risk of conversion,” as defined  
32 by paragraph (3) of subdivision (c).

33 (iv) Projects for which a public agency provides direct or indirect  
34 long-term financial support for at least 15 percent of the total  
35 project development costs or projects for which the owner’s equity  
36 constitutes at least 30 percent of the total project development  
37 costs.

38 (v) Projects that provide tenant amenities not generally available  
39 to residents of low-income housing projects.

(4) For purposes of allocating credits pursuant to this section, the committee shall not give preference to any project by virtue of the date of submission of its application except to break a tie when two or more of the projects have an equal rating.

(k) Section 42(l) of the Internal Revenue Code shall be modified as follows:

The term “secretary” shall be replaced by the term “California Franchise Tax Board.”

(l) In the case where the state credit allowed under this section exceeds the “tax,” the excess may be carried over to reduce the “tax” in the following year, and succeeding years if necessary, until the credit has been exhausted.

(m) The provisions of Section 11407(a) of Public Law 101-508, relating to the effective date of the extension of the low-income housing credit, shall apply to calendar years after 1993.

(n) The provisions of Section 11407(c) of Public Law 101-508, relating to election to accelerate credit, shall not apply.

(o) This section shall remain in effect for as long as Section 42 of the Internal Revenue Code, relating to low-income housing credits, remains in effect.

SEC. 9. Section 17058 of the Revenue and Taxation Code is amended to read:

17058. (a) (1) There shall be allowed as a credit against the amount of net tax (as defined in Section 17039) a state low-income housing credit in an amount equal to the amount determined in subdivision (c), computed in accordance with the provisions of Section 42 of the Internal Revenue Code, except as otherwise provided in this section.

1 (A) The low-income housing project shall be located in  
2 California and shall meet either of the following requirements:

3 (i) Except for projects to provide farmworker housing, as defined  
4 in subdivision (h) of Section 50199.7 of the Health and Safety  
5 Code, that are allocated credits solely under the set-aside described  
6 in subdivision (c) of Section 50199.20 of the Health and Safety  
7 Code, the project's housing sponsor shall have been allocated by  
8 the California Tax Credit Allocation Committee a credit for federal  
9 income tax purposes under Section 42 of the Internal Revenue  
10 Code.

11 (ii) It shall qualify for a credit under Section 42(h)(4)(B) of the  
12 Internal Revenue Code.

13 (B) The California Tax Credit Allocation Committee shall not  
14 require fees for the credit under this section in addition to those  
15 fees required for applications for the tax credit pursuant to Section  
16 42 of the Internal Revenue Code. The committee may require a  
17 fee if the application for the credit under this section is submitted  
18 in a calendar year after the year the application is submitted for  
19 the federal tax credit.

20 (C) (i) For a project that receives a preliminary reservation of  
21 the state low-income housing tax credit, allowed pursuant to  
22 subdivision (a), on or after January 1, 2009, and before January 1,  
23 2016, the credit shall be allocated to the partners of a partnership  
24 owning the project in accordance with the partnership agreement,  
25 regardless of how the federal low-income housing tax credit with  
26 respect to the project is allocated to the partners, or whether the  
27 allocation of the credit under the terms of the agreement has  
28 substantial economic effect, within the meaning of Section 704(b)  
29 of the Internal Revenue Code.

30 (ii) To the extent the allocation of the credit to a partner under  
31 this section lacks substantial economic effect, any loss or deduction  
32 otherwise allowable under this part that is attributable to the sale  
33 or other disposition of that partner's partnership interest made prior  
34 to the expiration of the federal credit shall not be allowed in the  
35 taxable year in which the sale or other disposition occurs, but shall  
36 instead be deferred until and treated as if it occurred in the first  
37 taxable year immediately following the taxable year in which the  
38 federal credit period expires for the project described in clause (i).

39 (iii) This subparagraph shall not apply to a project that receives  
40 a preliminary reservation of state low-income housing tax credits

1 under the set-aside described in subdivision (c) of Section 50199.20  
2 of the Health and Safety Code unless the project also receives a  
3 preliminary reservation of federal low-income housing tax credits.

4 (iv) This subparagraph shall cease to be operative with respect  
5 to any project that receives a preliminary reservation of a credit  
6 on or after January 1, 2016.

18 areas or qualified census tracts as defined in Section 42(d)(5)(C)  
19 of the Internal Revenue Code, credits may be allocated under this  
20 section in the amounts prescribed in subdivision (c), provided that  
21 the amount of credit allocated under Section 42 of the Internal  
22 Revenue Code is computed on 100 percent of the qualified basis  
23 of the building.

24 (c) Section 42(b) of the Internal Revenue Code shall be modified  
25 as follows:

26 (1) In the case of any qualified low-income building placed in  
27 service by the housing sponsor during 1987, the term “applicable  
28 percentage” means 9 percent for each of the first three years and  
29 3 percent for the fourth year for new buildings (whether or not the  
30 building is federally subsidized) and for existing buildings.

31 (2) In the case of any qualified low-income building that receives  
32 an allocation after 1989 and is a new building not federally

11 the sum of the applicable percentages for the first three years.

12 (4) For purposes of this section, the term “at risk of conversion,”

14 all of the following criteria:

15 (A) The property is a multifamily rental housing development  
16 in which at least 50 percent of the units receive governmental  
17 assistance pursuant to any of the following:

38 prepayment any time within five years before or after the date of  
39 application to the California Tax Credit Allocation Committee.

1 (C) The entity acquiring the property enters into a regulatory  
2 agreement that requires the property to be operated in accordance  
3 with the requirements of this section for a period equal to the

7 except that the provisions of Section 42(e)(3)(A)(ii)(I) shall not  
8 apply.

9 (d) The term “qualified low-income housing project” as defined  
10 in Section 42(c)(2) of the Internal Revenue Code is modified by

10 after the first year of the credit period, the qualified basis of any

12 of the first year of the credit period, the housing sponsor, to the  
13 extent of its tax credit allocation, shall be eligible for a credit on  
14 the excess in an amount equal to the applicable percentage  
15 determined pursuant to subdivision (c) for the four-year period  
16 beginning with the taxable year in which the increase in qualified

27 (2) Paragraphs (3), (4), (5), (6)(E)(i)(II), (6)(F), (6)(G), (6)(I),  
28 (7), and (8) of Section 42(h) of the Internal Revenue Code shall  
29 not be applicable to this section.

30 (g) The aggregate housing credit dollar amount which may be  
31 allocated annually by the California Tax Credit Allocation  
32 Committee pursuant to this section, Section 12206, and Section  
33 23610.5 shall be an amount equal to the sum of all the following:

34 (1) Seventy million dollars (\$70,000,000) for the 2001 calendar  
35 year, and, for the 2002 calendar year and each calendar year  
36 thereafter, seventy million dollars (\$70,000,000) increased by the  
37 percentage, if any, by which the Consumer Price Index for the  
38 preceding calendar year exceeds the Consumer Price Index for the  
39 2001 calendar year. For the purposes of this paragraph, the term

1 “Consumer Price Index” means the last Consumer Price Index for  
2 all urban consumers published by the federal Department of Labor.

3 (2) The unused housing credit ceiling, if any, for the preceding  
4 calendar years.

5 (3) The amount of housing credit ceiling returned in the calendar  
6 year. For purposes of this paragraph, the amount of housing credit  
7 dollar amount returned in the calendar year equals the housing  
8 credit dollar amount previously allocated to any project that does  
9 not become a qualified low-income housing project within the  
10 period required by this section or to any project with respect to  
11 which an allocation is canceled by mutual consent of the California  
12 Tax Credit Allocation Committee and the allocation recipient.

13 (4) Five hundred thousand dollars (\$500,000) per calendar year  
14 for projects to provide farmworker housing, as defined in  
15 subdivision (h) of Section 50199.7 of the Health and Safety Code.

16 (5) The amount of any unallocated or returned credits under  
17 former Sections 17053.14, 23608.2, and 23608.3, as those sections  
18 read prior to January 1, 2009, until fully exhausted for projects to  
19 provide farmworker housing, as defined in subdivision (h) of  
20 Section 50199.7 of the Health and Safety Code.

21 (h) The term “compliance period” as defined in Section 42(i)(1)  
22 of the Internal Revenue Code is modified to mean, with respect to  
23 any building, the period of 30 consecutive taxable years beginning  
24 with the first taxable year of the credit period with respect thereto.

25 (i) Section 42(j) of the Internal Revenue Code shall not be  
26 applicable and the following requirements of this section shall be  
27 set forth in a regulatory agreement between the California Tax  
28 Credit Allocation Committee and the housing sponsor, which  
29 agreement shall be subordinated, when required, to any lien or  
30 encumbrance of any banks or other institutional lenders to the  
31 project. The regulatory agreement entered into pursuant to  
32 subdivision (f) of Section 50199.14 of the Health and Safety Code  
33 shall apply, providing the agreement includes all of the following  
34 provisions:

35 (1) A term not less than the compliance period.

36 (2) A requirement that the agreement be filed in the official  
37 records of the county in which the qualified low-income housing  
38 project is located.

1 (3) A provision stating which state and local agencies can  
2 enforce the regulatory agreement in the event the housing sponsor  
3 fails to satisfy any of the requirements of this section.

4 (4) A provision that the regulatory agreement shall be deemed  
5 a contract enforceable by tenants as third-party beneficiaries thereto  
6 and which allows individuals, whether prospective, present, or  
7 former occupants of the building, who meet the income limitation  
8 applicable to the building, the right to enforce the regulatory  
9 agreement in any state court.

10 (5) A provision incorporating the requirements of Section 42  
11 of the Internal Revenue Code as modified by this section.

12 (6) A requirement that the housing sponsor notify the California  
13 Tax Credit Allocation Committee or its designee if there is a  
14 determination by the Internal Revenue Service that the project is  
15 not in compliance with Section 42(g) of the Internal Revenue Code.

16 (7) A requirement that the housing sponsor, as security for the  
17 performance of the housing sponsor's obligations under the  
18 regulatory agreement, assign the housing sponsor's interest in rents  
19 that it receives from the project, provided that until there is a  
20 default under the regulatory agreement, the housing sponsor is  
21 entitled to collect and retain the rents.

22 (8) The remedies available in the event of a default under the  
23 regulatory agreement that is not cured within a reasonable cure  
24 period, include, but are not limited to, allowing any of the parties  
25 designated to enforce the regulatory agreement to collect all rents  
26 with respect to the project; taking possession of the project and  
27 operating the project in accordance with the regulatory agreement  
28 until the enforcer determines the housing sponsor is in a position  
29 to operate the project in accordance with the regulatory agreement;  
30 applying to any court for specific performance; securing the  
31 appointment of a receiver to operate the project; or any other relief  
32 as may be appropriate.

33 (j) (1) The committee shall allocate the housing credit on a  
34 regular basis consisting of two or more periods in each calendar  
35 year during which applications may be filed and considered. The  
36 committee shall establish application filing deadlines, the maximum  
37 percentage of federal and state low-income housing tax credit  
38 ceiling that may be allocated by the committee in that period, and  
39 the approximate date on which allocations shall be made. If the  
40 enactment of federal or state law, the adoption of rules or

1 regulations or other similar events prevent the use of two allocation  
2 periods, the committee may reduce the number of periods and  
3 adjust the filing deadlines, maximum percentage of credit allocated,  
4 and the allocation dates.

5 (2) The committee shall adopt a qualified allocation plan, as  
6 provided in Section 42(m)(1) of the Internal Revenue Code. In  
7 adopting this plan, the committee shall comply with the provisions  
8 of Sections 42(m)(1)(B) and 42(m)(1)(C) of the Internal Revenue  
9 Code.

10 (3) Notwithstanding Section 42(m) of the Internal Revenue  
11 Code, the California Tax Credit Allocation Committee shall  
12 allocate housing credits in accordance with the qualified allocation  
13 plan and regulations, which shall include the following provisions:

14 (A) All housing sponsors, as defined by paragraph (3) of  
15 subdivision (a), shall demonstrate at the time the application is  
16 filed with the committee that the project meets the following  
17 threshold requirements:

18 (i) The housing sponsor shall demonstrate there is a need and  
19 demand for low-income housing in the community or region for  
20 which it is proposed.

21 (ii) The project's proposed financing, including tax credit  
22 proceeds, shall be sufficient to complete the project and that the  
23 proposed operating income shall be adequate to operate the project  
24 for the extended use period.

25 (iii) The project shall have enforceable financing commitments,  
26 either construction or permanent financing, for at least 50 percent  
27 of the total estimated financing of the project.

28 (iv) The housing sponsor shall have and maintain control of the  
29 site for the project.

30 (v) The housing sponsor shall demonstrate that the project  
31 complies with all applicable local land use and zoning ordinances.

32 (vi) The housing sponsor shall demonstrate that the project  
33 development team has the experience and the financial capacity  
34 to ensure project completion and operation for the extended use  
35 period.

36 (vii) The housing sponsor shall demonstrate the amount of tax  
37 credit that is necessary for the financial feasibility of the project  
38 and its viability as a qualified low-income housing project  
39 throughout the extended use period, taking into account operating  
40 expenses, a supportable debt service, reserves, funds set aside for

1 rental subsidies, and required equity, and a development fee that  
2 does not exceed a specified percentage of the eligible basis of the  
3 project prior to inclusion of the development fee in the eligible  
4 basis, as determined by the committee.

5 (B) The committee shall give a preference to those projects  
6 satisfying all of the threshold requirements of subparagraph (A)  
7 if both of the following apply:

8 (i) The project serves the lowest income tenants at rents  
9 affordable to those tenants.

10 (ii) The project is obligated to serve qualified tenants for the  
11 longest period.

12 (C) In addition to the provisions of subparagraphs (A) and (B),  
13 the committee shall use the following criteria in allocating housing  
14 credits:

15 (i) Projects serving large families in which a substantial number,  
16 as defined by the committee of all residential units is comprised  
17 of low-income units with three and more bedrooms.

18 (ii) Projects providing single room occupancy units serving very  
19 low income tenants.

20 (iii) Existing projects that are “at risk of conversion,” as defined  
21 by paragraph (4) of subdivision (c).

22 (iv) Projects for which a public agency provides direct or indirect  
23 long-term financial support for at least 15 percent of the total  
24 project development costs or projects for which the owner’s equity  
25 constitutes at least 30 percent of the total project development  
26 costs.

27 (v) Projects that provide tenant amenities not generally available  
28 to residents of low-income housing projects.

29 (4) For purposes of allocating credits pursuant to this section,  
30 the committee shall not give preference to any project by virtue  
31 of the date of submission of its application.

32 (k) Section 42(l) of the Internal Revenue Code shall be modified  
33 as follows:

34 The term “secretary” shall be replaced by the term “California  
35 Franchise Tax Board.”

36 (l) In the case where the credit allowed under this section  
37 exceeds the net tax, the excess credit may be carried over to reduce  
38 the net tax in the following year, and succeeding taxable years, if  
39 necessary, until the credit has been exhausted.

1 (m) A project that received an allocation of a 1989 federal  
2 housing credit dollar amount shall be eligible to receive an  
3 allocation of a 1990 state housing credit dollar amount, subject to  
4 all of the following conditions:

5 (1) The project was not placed in service prior to 1990.

6 (2) To the extent the amendments made to this section by the  
7 Statutes of 1990 conflict with any provisions existing in this section  
8 prior to those amendments, the prior provisions of law shall prevail.

9 (3) Notwithstanding paragraph (2), a project applying for an  
10 allocation under this subdivision shall be subject to the  
11 requirements of paragraph (3) of subdivision (j).

12 (n) The credit period with respect to an allocation of credit in  
13 1989 by the California Tax Credit Allocation Committee of which  
14 any amount is attributable to unallocated credit from 1987 or 1988  
15 shall not begin until after December 31, 1989.

16 (o) The provisions of Section 11407(a) of Public Law 101-508,  
17 relating to the effective date of the extension of the low-income  
18 housing credit, shall apply to calendar years after 1989.

19 (p) The provisions of Section 11407(c) of Public Law 101-508,  
20 relating to election to accelerate credit, shall not apply.

21 (q) Any unused credit may continue to be carried forward, as  
22 provided in subdivision (l), until the credit has been exhausted.

23 This section shall remain in effect on and after December 1,  
24 1990, for as long as Section 42 of the Internal Revenue Code,  
25 relating to low-income housing credits, remains in effect.

26 (r) The amendments to this section by the act adding this  
27 subdivision shall apply only to taxable years beginning on or after  
28 January 1, 1994.

29 SEC. 10. Section 23610.5 of the Revenue and Taxation Code  
30 is amended to read:

31 23610.5. (a) (1) There shall be allowed as a credit against the  
32 "tax" (as defined by Section 23036) a state low-income housing  
33 tax credit in an amount equal to the amount determined in  
34 subdivision (c), computed in accordance with Section 42 of the  
35 Internal Revenue Code of 1986, except as otherwise provided in  
36 this section.

37 (2) "Taxpayer," for purposes of this section, means the sole  
38 owner in the case of a "C" corporation, the partners in the case of  
39 a partnership, and the shareholders in the case of an "S"  
40 corporation.

1 (3) “Housing sponsor,” for purposes of this section, means the  
2 sole owner in the case of a “C” corporation, the partnership in the  
3 case of a partnership, and the “S” corporation in the case of an “S”  
4 corporation.

5 (b) (1) The amount of the credit allocated to any housing  
6 sponsor shall be authorized by the California Tax Credit Allocation  
7 Committee, or any successor thereof, based on a project’s need  
8 for the credit for economic feasibility in accordance with the  
9 requirements of this section.

10 (A) The low-income housing project shall be located in  
11 California and shall meet either of the following requirements:

12 (i) Except for projects to provide farmworker housing, as defined  
13 in subdivision (h) of Section 50199.7 of the Health and Safety  
14 Code, that are allocated credits solely under the set-aside described  
15 in subdivision (c) of Section 50199.20 of the Health and Safety  
16 Code, the project’s housing sponsor has been allocated by the  
17 California Tax Credit Allocation Committee a credit for federal  
18 income tax purposes under Section 42 of the Internal Revenue  
19 Code.

20 (ii) It qualifies for a credit under Section 42(h)(4)(B) of the  
21 Internal Revenue Code.

22 (B) The California Tax Credit Allocation Committee shall not  
23 require fees for the credit under this section in addition to those  
24 fees required for applications for the tax credit pursuant to Section  
25 42 of the Internal Revenue Code. The committee may require a  
26 fee if the application for the credit under this section is submitted  
27 in a calendar year after the year the application is submitted for  
28 the federal tax credit.

29 (C) (i) For a project that receives a preliminary reservation of  
30 the state low-income housing tax credit, allowed pursuant to  
31 subdivision (a), on or after January 1, 2009, and before January 1,  
32 2016, the credit shall be allocated to the partners of a partnership  
33 owning the project in accordance with the partnership agreement,  
34 regardless of how the federal low-income housing tax credit with  
35 respect to the project is allocated to the partners, or whether the  
36 allocation of the credit under the terms of the agreement has  
37 substantial economic effect, within the meaning of Section 704(b)  
38 of the Internal Revenue Code.

39 (ii) To the extent the allocation of the credit to a partner under  
40 this section lacks substantial economic effect, any loss or deduction

1 otherwise allowable under this part that is attributable to the sale  
2 or other disposition of that partner's partnership interest made prior  
3 to the expiration of the federal credit shall not be allowed in the  
4 taxable year in which the sale or other disposition occurs, but shall  
5 instead be deferred until and treated as if it occurred in the first  
6 taxable year immediately following the taxable year in which the  
7 federal credit period expires for the project described in clause (i).

8 (iii) This subparagraph shall not apply to a project that receives  
9 a preliminary reservation of state low-income housing tax credits  
10 under the set-aside described in subdivision (c) of Section 50199.20  
11 of the Health and Safety Code unless the project also receives a  
12 preliminary reservation of federal low-income housing tax credits.

13 (iv) This subparagraph shall cease to be operative with respect  
14 to any project that receives a preliminary reservation of a credit  
15 on or after January 1, 2016.

16 (2) (A) The California Tax Credit Allocation Committee shall  
17 certify to the housing sponsor the amount of tax credit under this  
18 section allocated to the housing sponsor for each credit period.

19 (B) In the case of a partnership or an "S" corporation, the  
20 housing sponsor shall provide a copy of the California Tax Credit  
21 Allocation Committee certification to the taxpayer.

22 (C) The taxpayer shall, upon request, provide a copy of the  
23 certification to the Franchise Tax Board.

24 (D) All elections made by the taxpayer pursuant to Section 42  
25 of the Internal Revenue Code shall apply to this section.

26 (E) For buildings located in designated difficult development  
27 areas or qualified census tracts as defined in Section 42(d)(5)(C)  
28 of the Internal Revenue Code, credits may be allocated under this  
29 section in the amounts prescribed in subdivision (c), provided that  
30 the amount of credit allocated under Section 42 of the Internal  
31 Revenue Code is computed on 100 percent of the qualified basis  
32 of the building.

33 (c) Section 42(b) of the Internal Revenue Code shall be modified  
34 as follows:

35 (1) In the case of any qualified low-income building placed in  
36 service by the housing sponsor during 1987, the term "applicable  
37 percentage" means 9 percent for each of the first three years and  
38 3 percent for the fourth year for new buildings (whether or not the  
39 building is federally subsidized) and for existing buildings.

(2) In the case of any qualified low-income building that receives an allocation after 1989 and is a new building not federally subsidized, the term “applicable percentage” means the following:

(A) For each of the first three years, the percentage prescribed by the Secretary of the Treasury for new buildings that are not federally subsidized for the taxable year, determined in accordance with the requirements of Section 42(b)(2) of the Internal Revenue Code, in lieu of the percentage prescribed in Section 42(b)(1)(A).

(B) For the fourth year, the difference between 30 percent and the sum of the applicable percentages for the first three years.

(3) In the case of any qualified low-income building that receives an allocation after 1989 and that is a new building that is federally subsidized or that is an existing building that is “at risk of conversion,” the term “applicable percentage” means the following:

(A) For each of the first three years, the percentage prescribed by the Secretary of the Treasury for new buildings that are federally subsidized for the taxable year.

(B) For the fourth year, the difference between 13 percent and the sum of the applicable percentages for the first three years.

(4) For purposes of this section, the term “at risk of conversion,” with respect to an existing property means a property that satisfies all of the following criteria:

(A) The property is a multifamily rental housing development in which at least 50 percent of the units receive governmental assistance pursuant to any of the following:

(i) New construction, substantial rehabilitation, moderate rehabilitation, property disposition, and loan management set-aside programs, or any other program providing project-based assistance pursuant to Section 8 of the United States Housing Act of 1937, Section 1437f of Title 42 of the United States Code, as amended.

(ii) The Below-Market-Interest-Rate Program pursuant to Section 221(d)(3) of the National Housing Act, Sections 1715l(d)(3) and (5) of Title 12 of the United States Code.

(iii) Section 236 of the National Housing Act, Section 1715z-1 of Title 12 of the United States Code.

(iv) Programs for rent supplement assistance pursuant to Section 101 of the Housing and Urban Development Act of 1965, Section 1701s of Title 12 of the United States Code, as amended.

1 (v) Programs pursuant to Section 515 of the Housing Act of  
2 1949, Section 1485 of Title 42 of the United States Code, as  
3 amended.

4 (vi) The low-income housing credit program set forth in Section  
5 42 of the Internal Revenue Code.

6 (B) The restrictions on rent and income levels will terminate or  
7 the federally insured mortgage on the property is eligible for  
8 prepayment any time within five years before or after the date of  
9 application to the California Tax Credit Allocation Committee.

10 (C) The entity acquiring the property enters into a regulatory  
11 agreement that requires the property to be operated in accordance  
12 with the requirements of this section for a period equal to the  
13 greater of 55 years or the life of the property.

14 (D) The property satisfies the requirements of Section 42(e) of  
15 the Internal Revenue Code regarding rehabilitation expenditures,  
16 except that the provisions of Section 42(e)(3)(A)(ii)(I) shall not  
17 apply.

18 (d) The term “qualified low-income housing project” as defined  
19 in Section 42(c)(2) of the Internal Revenue Code is modified by  
20 adding the following requirements:

21 (1) The taxpayer shall be entitled to receive a cash distribution  
22 from the operations of the project, after funding required reserves,  
23 which, at the election of the taxpayer, shall be equal to:

24 (A) An amount not to exceed 8 percent of the lesser of:

25 (i) The owner equity, which shall include the amount of the  
26 capital contributions actually paid to the housing sponsor and shall  
27 not include any amounts until they are paid on an investor note.

28 (ii) Twenty percent of the adjusted basis of the building as of  
29 the close of the first taxable year of the credit period.

30 (B) The amount of the cashflow from those units in the building  
31 that are not low-income units. For purposes of computing cashflow  
32 under this subparagraph, operating costs shall be allocated to the  
33 low-income units using the “floor space fraction,” as defined in  
34 Section 42 of the Internal Revenue Code.

35 (C) Any amount allowed to be distributed under subparagraph  
36 (A) that is not available for distribution during the first five years  
37 of the compliance period may accumulate and be distributed at  
38 any time during the first 15 years of the compliance period but not  
39 thereafter.

(2) The limitation on return shall apply in the aggregate to the partners if the housing sponsor is a partnership and in the aggregate to the shareholders if the housing sponsor is an “S” corporation.

(3) The housing sponsor shall apply any cash available for distribution in excess of the amount eligible to be distributed under paragraph (1) to reduce the rent on rent-restricted units or to increase the number of rent-restricted units subject to the tests of Section 42(g)(1) of the Internal Revenue Code.

(e) The provisions of Section 42(f) of the Internal Revenue Code shall be modified as follows:

(1) The term “credit period” as defined in Section 42(f)(1) of the Internal Revenue Code is modified by substituting “four taxable years” for “10 taxable years.”

(2) The special rule for the first taxable year of the credit period under Section 42(f)(2) of the Internal Revenue Code shall not apply to the tax credit under this section.

(3) Section 42(f)(3) of the Internal Revenue Code is modified to read:

If, as of the close of any taxable year in the compliance period, after the first year of the credit period, the qualified basis of any building exceeds the qualified basis of that building as of the close of the first year of the credit period, the housing sponsor, to the extent of its tax credit allocation, shall be eligible for a credit on the excess in an amount equal to the applicable percentage determined pursuant to subdivision (c) for the four-year period beginning with the later of the taxable years in which the increase in qualified basis occurs.

(f) The provisions of Section 42(h) of the Internal Revenue Code shall be modified as follows:

(1) Section 42(h)(2) of the Internal Revenue Code shall not be applicable and instead the following provisions shall be applicable:

The total amount for the four-year credit period of the housing credit dollars allocated in a calendar year to any building shall reduce the aggregate housing credit dollar amount of the California Tax Credit Allocation Committee for the calendar year in which the allocation is made.

(2) Paragraphs (3), (4), (5), (6)(E)(i)(II), (6)(F), (6)(G), (6)(I), (7), and (8) of Section 42(h) of the Internal Revenue Code shall not be applicable.

(g) The aggregate housing credit dollar amount that may be allocated annually by the California Tax Credit Allocation Committee pursuant to this section, Section 12206, and Section 17058 shall be an amount equal to the sum of all the following:

(1) Seventy million dollars (\$70,000,000) for the 2001 calendar year, and, for the 2002 calendar year and each calendar year thereafter, seventy million dollars (\$70,000,000) increased by the percentage, if any, by which the Consumer Price Index for the preceding calendar year exceeds the Consumer Price Index for the 2001 calendar year. For the purposes of this paragraph, the term “Consumer Price Index” means the last Consumer Price Index for all urban consumers published by the federal Department of Labor.

(2) The unused housing credit ceiling, if any, for the preceding calendar years.

(3) The amount of housing credit ceiling returned in the calendar year. For purposes of this paragraph, the amount of housing credit dollar amount returned in the calendar year equals the housing credit dollar amount previously allocated to any project that does not become a qualified low-income housing project within the period required by this section or to any project with respect to which an allocation is canceled by mutual consent of the California Tax Credit Allocation Committee and the allocation recipient.

(4) Five hundred thousand dollars (\$500,000) per calendar year for projects to provide farmworker housing, as defined in subdivision (h) of Section 50199.7 of the Health and Safety Code.

(5) The amount of any unallocated or returned credits under former Sections 17053.14, 23608.2, and 23608.3, as those sections read prior to January 1, 2009, until fully exhausted for projects to provide farmworker housing, as defined in subdivision (h) of Section 50199.7 of the Health and Safety Code.

(h) The term “compliance period” as defined in Section 42(i)(1) of the Internal Revenue Code is modified to mean, with respect to any building, the period of 30 consecutive taxable years beginning with the first taxable year of the credit period with respect thereto.

(i) Section 42(j) of the Internal Revenue Code shall not be applicable and the following shall be substituted in its place:

The requirements of this section shall be set forth in a regulatory agreement between the California Tax Credit Allocation Committee and the housing sponsor, and this agreement shall be subordinated, when required, to any lien or encumbrance of any banks or other

1 institutional lenders to the project. The regulatory agreement  
2 entered into pursuant to subdivision (f) of Section 50199.14 of the  
3 Health and Safety Code shall apply, provided that the agreement  
4 includes all of the following provisions:

5 (1) A term not less than the compliance period.

6 (2) A requirement that the agreement be filed in the official  
7 records of the county in which the qualified low-income housing  
8 project is located.

9 (3) A provision stating which state and local agencies can  
10 enforce the regulatory agreement in the event the housing sponsor  
11 fails to satisfy any of the requirements of this section.

12 (4) A provision that the regulatory agreement shall be deemed  
13 a contract enforceable by tenants as third-party beneficiaries  
14 thereto, and that allows individuals, whether prospective, present,  
15 or former occupants of the building, who meet the income  
16 limitation applicable to the building the right to enforce the  
17 regulatory agreement in any state court.

18 (5) A provision incorporating the requirements of Section 42  
19 of the Internal Revenue Code as modified by this section.

20 (6) A requirement that the housing sponsor notify the California  
21 Tax Credit Allocation Committee or its designee if there is a  
22 determination by the Internal Revenue Service that the project is  
23 not in compliance with Section 42(g) of the Internal Revenue Code.

24 (7) A requirement that the housing sponsor, as security for the  
25 performance of the housing sponsor's obligations under the  
26 regulatory agreement, assign the housing sponsor's interest in rents  
27 that it receives from the project, provided that until there is a  
28 default under the regulatory agreement, the housing sponsor is  
29 entitled to collect and retain the rents.

30 (8) A provision that the remedies available in the event of a  
31 default under the regulatory agreement that is not cured within a  
32 reasonable cure period include, but are not limited to, allowing  
33 any of the parties designated to enforce the regulatory agreement  
34 to collect all rents with respect to the project; taking possession of  
35 the project and operating the project in accordance with the  
36 regulatory agreement until the enforcer determines the housing  
37 sponsor is in a position to operate the project in accordance with  
38 the regulatory agreement; applying to any court for specific  
39 performance; securing the appointment of a receiver to operate  
40 the project; or any other relief as may be appropriate.

(j) (1) The committee shall allocate the housing credit on a regular basis consisting of two or more periods in each calendar year during which applications may be filed and considered. The committee shall establish application filing deadlines, the maximum percentage of federal and state low-income housing tax credit ceiling that may be allocated by the committee in that period, and the approximate date on which allocations shall be made. If the enactment of federal or state law, the adoption of rules or regulations, or other similar events prevent the use of two allocation periods, the committee may reduce the number of periods and adjust the filing deadlines, maximum percentage of credit allocated, and allocation dates.

(2) The committee shall adopt a qualified allocation plan, as provided in Section 42(m)(1) of the Internal Revenue Code. In adopting this plan, the committee shall comply with the provisions of Sections 42(m)(1)(B) and 42(m)(1)(C) of the Internal Revenue Code.

(3) Notwithstanding Section 42(m) of the Internal Revenue Code, the California Tax Credit Allocation Committee shall allocate housing credits in accordance with the qualified allocation plan and regulations, which shall include the following provisions:

(A) All housing sponsors, as defined by paragraph (3) of subdivision (a), shall demonstrate at the time the application is filed with the committee that the project meets the following threshold requirements:

(i) The housing sponsor shall demonstrate that there is a need for low-income housing in the community or region for which it is proposed.

(ii) The project's proposed financing, including tax credit proceeds, shall be sufficient to complete the project and shall be adequate to operate the project for the extended use period.

(iii) The project shall have enforceable financing commitments, either construction or permanent financing, for at least 50 percent of the total estimated financing of the project.

(iv) The housing sponsor shall have and maintain control of the site for the project.

(v) The housing sponsor shall demonstrate that the project complies with all applicable local land use and zoning ordinances.

(vi) The housing sponsor shall demonstrate that the project development team has the experience and the financial capacity

1 to ensure project completion and operation for the extended use  
2 period.

3 (vii) The housing sponsor shall demonstrate the amount of tax  
4 credit that is necessary for the financial feasibility of the project  
5 and its viability as a qualified low-income housing project  
6 throughout the extended use period, taking into account operating  
7 expenses, a supportable debt service, reserves, funds set aside for  
8 rental subsidies, and required equity, and a development fee that  
9 does not exceed a specified percentage of the eligible basis of the  
10 project prior to inclusion of the development fee in the eligible  
11 basis, as determined by the committee.

12 (B) The committee shall give a preference to those projects  
13 satisfying all of the threshold requirements of subparagraph (A)  
14 if both of the following apply:

15 (i) The project serves the lowest income tenants at rents  
16 affordable to those tenants.

17 (ii) The project is obligated to serve qualified tenants for the  
18 longest period.

19 (C) In addition to the provisions of subparagraphs (A) and (B),  
20 the committee shall use the following criteria in allocating housing  
21 credits:

22 (i) Projects serving large families in which a substantial number,  
23 as defined by the committee, of all residential units are low-income  
24 units with three and more bedrooms.

25 (ii) Projects providing single-room occupancy units serving  
26 very low income tenants.

27 (iii) Existing projects that are “at risk of conversion,” as defined  
28 by paragraph (4) of subdivision (c).

29 (iv) Projects for which a public agency provides direct or indirect  
30 long-term financial support for at least 15 percent of the total  
31 project development costs or projects for which the owner’s equity  
32 constitutes at least 30 percent of the total project development  
33 costs.

34 (v) Projects that provide tenant amenities not generally available  
35 to residents of low-income housing projects.

36 (4) For purposes of allocating credits pursuant to this section,  
37 the committee shall not give preference to any project by virtue  
38 of the date of submission of its application except to break a tie  
39 when two or more of the projects have an equal rating.

(5) Not less than 20 percent of the low-income housing tax credits available annually under this section, Section 12206, and Section 17058 shall be set aside for allocation to rural areas as defined in Section 50199.21 of the Health and Safety Code. Any amount of credit set aside for rural areas remaining on or after October 31 of any calendar year shall be available for allocation to any eligible project. No amount of credit set aside for rural areas shall be considered available for any eligible project so long as there are eligible rural applications pending on October 31.

(k) Section 42(l) of the Internal Revenue Code shall be modified as follows:

The term “secretary” shall be replaced by the term “California Franchise Tax Board.”

(l) In the case where the state credit allowed under this section exceeds the “tax,” the excess may be carried over to reduce the “tax” in the following year, and succeeding years if necessary, until the credit has been exhausted.

(m) A project that received an allocation of a 1989 federal housing credit dollar amount shall be eligible to receive an allocation of a 1990 state housing credit dollar amount, subject to all of the following conditions:

(1) The project was not placed in service prior to 1990.

(2) To the extent the amendments made to this section by the Statutes of 1990 conflict with any provisions existing in this section prior to those amendments, the prior provisions of law shall prevail.

(3) Notwithstanding paragraph (2), a project applying for an allocation under this subdivision shall be subject to the requirements of paragraph (3) of subdivision (j).

(n) The credit period with respect to an allocation of credit in 1989 by the California Tax Credit Allocation Committee of which any amount is attributable to unallocated credit from 1987 or 1988 shall not begin until after December 31, 1989.

(o) The provisions of Section 11407(a) of Public Law 101-508, relating to the effective date of the extension of the low-income housing credit, shall apply to calendar years after 1989.

(p) The provisions of Section 11407(c) of Public Law 101-508, relating to election to accelerate credit, shall not apply.

(q) (1) A corporation may elect to assign any portion of any credit allowed under this section to one or more affiliated corporations for each taxable year in which the credit is allowed.

For purposes of this subdivision, “affiliated corporation” has the meaning provided in subdivision (b) of Section 25110, as that section was amended by Chapter 881 of the Statutes of 1993, as of the last day of the taxable year in which the credit is allowed, except that “100 percent” is substituted for “more than 50 percent” wherever it appears in the section, as that section was amended by Chapter 881 of the Statutes of 1993, and “voting common stock” is substituted for “voting stock” wherever it appears in the section, as that section was amended by Chapter 881 of the Statutes of 1993.

(2) The election provided in paragraph (1):

(A) May be based on any method selected by the corporation that originally receives the credit.

(B) Shall be irrevocable for the taxable year the credit is allowed, once made.

(C) May be changed for any subsequent taxable year if the election to make the assignment is expressly shown on each of the returns of the affiliated corporations that assign and receive the credits.

(r) Any unused credit may continue to be carried forward, as provided in subdivision (l), until the credit has been exhausted.

This section shall remain in effect on or after December 1, 1990, for as long as Section 42 of the Internal Revenue Code, relating to low-income housing credits, remains in effect.

(s) The amendments to this section made by the act adding this subdivision shall apply only to taxable years beginning on or after January 1, 1994, except that paragraph (1) of subdivision (q), as amended, shall apply to taxable years beginning on or after January 1, 1993.
