

Introduced by Senator RunnerFebruary 26, 2009

An act to amend Section 39000 of the Health and Safety Code, relating to air pollution.

LEGISLATIVE COUNSEL'S DIGEST

SB 468, as introduced, Runner. Air pollution.

Existing law makes various legislative findings and declarations relating to air pollution.

This bill would make technical, nonsubstantive changes to these legislative findings and declarations.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 39000 of the Health and Safety Code is
- 2 amended to read:
- 3 39000. The Legislature finds and declares that the people of
- 4 ~~the State of~~ California have a primary interest in the quality of the
- 5 physical environment in which they live, and that this physical
- 6 environment is being degraded by the waste and refuse of
- 7 civilization polluting the atmosphere, thereby creating a situation
- 8 ~~which~~ *that* is detrimental to the health, safety, welfare, and sense
- 9 of well-being of the people of California.
