LEGISLATIVE COUNSEL'S DIGEST

SB 589, as amended, Harman. Game hunting.

Existing law requires all money collected under the provisions of the Fish and Game Code, including money received as a result of the sale of licenses issued under the provisions of the code, to be deposited into the Fish and Game Preservation Fund, unless otherwise provided. Existing law requires the Department of Fish and Game to operate wildlife management areas on a nonprofit basis for multiple recreational uses. Existing law authorizes the department to issue an annual wildlife area pass or a day use pass that authorizes the bearer to enter and use facilities and programs on designated department-managed lands. Existing law grants authority to the Fish and Game Commission to issue tags and licenses for the hunting of antelope, elk, upland game birds,

deer, wild pigs, bears, and bighorn sheep upon payment of a fee, to be deposited into the fund.

This bill would establish the Upland Game Bird Account within the fund to permit separate accountability for the receipt and, subject to appropriation, the prescribed expenditure of revenues from upland game bird validations and stamps.

The bill would establish the Big Game Management Account within the fund to permit separate accountability for the receipt and, subject to appropriation, the prescribed expenditure of revenues from antelope, elk, deer, wild pig, bear, and bighorn sheep tags.

The bill would exempt projects funded from the accounts from the State Contract Act and from statutory provisions relating to the Disabled Veteran Business Enterprise Program.

The bill would make various conforming changes relating to the establishment of the accounts.

4 areas, the seasons and hours, the bag and possession limit, and the
5 sex and total number of antelope (*Antilocapra americana*) that may
6 be taken under regulations that the commission may adopt from
7 time to time. Only a person possessing a valid hunting license,
8 who has not received an antelope tag under these provisions during
9 a period of time specified by the commission, may obtain a tag for
10 the taking of antelope.

11 (b) The department may issue a tag upon payment of a fee. The
12 fee for a tag shall be fifty-five dollars (\$55) for a resident of the
13 state, as adjusted under Section 713. On or before July 1, 2007,
14 the commission shall, by regulation, fix the fee for a nonresident
15 of the state at not less than a fee of three hundred fifty dollars
16 (\$350), as adjusted under Section 713. The fee shall be deposited
17 in the Big Game Management Account established in Section 3953
18 and, upon appropriation by the Legislature, shall be expended, in
19 addition to moneys budgeted for salaries of persons in the
20 department as set forth in Section 3953.

(c) The commission shall direct the department to annually authorize not less than one antelope tag or more than 1 percent of the total number of tags available for the purpose of raising funds for programs and projects to benefit antelope. These tags may be sold at auction to residents or nonresidents of the state or by another method and are not subject to the fee limitation prescribed in subdivision (b). All revenues from sales pursuant to this subdivision shall be deposited in the Big Game Management Account established in Section 3953 and, upon appropriation by the Legislature, shall be expended as set forth in that section.

(d) The commission shall direct the department to annually authorize one antelope tag of the total number of tags available for issuance to nonresidents of the state.

The commission may authorize the taking of tule elk if the average of the department's statewide tule elk population estimates exceeds 2,000 animals, or the Legislature determines, pursuant to the reports required by Section 3951, that suitable areas cannot be found in the state to accommodate that population in a healthy condition.

(b) Only a person possessing a valid hunting license may obtain a tag for the taking of elk.

(c) The department may issue an elk tag upon payment of a fee. The fee for a tag shall be one hundred sixty-five dollars (\$165) for a resident of the state, as adjusted under Section 713. On or before July 1, 2007, the commission shall, by regulation, fix the fee for a nonresident of the state at not less than one thousand fifty dollars (\$1,050), as adjusted under Section 713.
