AMENDED IN ASSEMBLY JULY 13, 2009

AMENDED IN SENATE MAY 28, 2009

SENATE BILL

No. 752

Introduced by Senator Correa

(Coauthors: Assembly Members Silva and Solorio)

February 27, 2009

An act to add Section 31678.31 to the Government Code, relating to county employees' retirement, and declaring the urgency thereof, to take effect immediately.

LEGISLATIVE COUNSEL'S DIGEST

SB 752, as amended, Correa. County employees' retirement: Orange County.

(1) The County Employees Retirement Law of 1937 permits counties and districts, as defined, to provide retirement benefits to their employees pursuant to its provisions. The law permits the board of supervisors or the governing body of a district in Orange County, by resolution adopted by majority vote and pursuant to a memorandum of understanding, as specified, to make certain formulas for the calculation of benefits for general or safety members applicable to the employees of a bargaining unit comprised of general members, safety members, or employees of the Probation Services Unit and Probation Supervisory Management Unit, as specified, and requires the affected members, subject to certain conditions, to pay some or all of those additional contributions, as specified.

This bill would permit, in Orange County, the board of supervisors, or the governing body of a district within the county, by resolution adopted by majority vote, to require an employee hired after approval of the resolution, to make a written election between 2 specified pension calculations within 45 days of beginning employment. The bill would require that an employee who fails to elect one of the pension calculations within 45 days of beginning employment be deemed to have elected the other. The bill would also permit the resolution, as described above, to require a current employee to make a similar written election regarding his or her own pension benefits for future service within 180 calendar days of approval of the resolution. The bill would require that a current employee who chooses to terminate a specified pension calculation be provided with a written explanation of the effect and impact of the termination and sign a specified affidavit. The bill would further permit the resolution to require a current employee of the county or district, hired before approval of the resolution, who subsequently—~~become~~ *becomes* eligible for a specified pension calculation to make a one-time written election between the 2 pension calculations for future service within 45 days of becoming eligible. The bill would require that the employee who chooses to terminate a specified pension calculation be provided with a written explanation of the effect and impact of the termination and sign a specified affidavit. The bill would provide that failure to make an election within 45 calendar days shall be considered cause for termination of employment until the required election has been made. The bill would make these elections irrevocable, except as specified.

The bill would require that a retirement allowance for service rendered prior to the effective date of the election be calculated under the employee's prior pension calculation and would provide that an employee who has made this election is not eligible for retirement unless the employee meets the minimum requirements of the provisions applicable at the date of retirement. The bill would require that specified pension elections include the signature of the employee's designated beneficiary or a specified written declaration. The bill would provide a civil penalty for a person who knowingly provides false information in the declaration, in an action to be brought at the option of a public prosecutor. The bill would require that an employee who elects the lesser of the 2 specified pension calculations be eligible to receive a contribution to a defined contribution program from the county or district based on the employee's contribution to a defined contribution program.

The bill would permit the resolution to apply these provisions to unrepresented employees, as specified, and would provide that its provisions ~~are~~ not be applicable to safety members of the retirement system. The bill would provide that an employee who fails to certify his or her election under specified circumstances would continue to be covered by his or her immediately preceding retirement plan, as specified. The bill would provide that the adoption of the resolution by the county would not extend to the employees of any district within the county, and would permit the governing body of a district to elect to make its provisions applicable to the employees of the district irrespective of whether the board of supervisors has made that election applicable to employees in the county.

(2) This bill would declare that it is to take effect immediately as an urgency statute.

Vote: $\frac{2}{3}$. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 31678.31 is added to the Government
2 Code, to read:
3 31678.31. (a) Notwithstanding any other provision of this
4 chapter, the board of supervisors or the governing body of a district
5 within the county may, by resolution adopted by majority vote, do
6 the following:
7 (1) Require an employee hired after approval of the resolution,
8 to elect in writing, either the pension calculation stated in Section
9 31676.19 or the pension calculation stated in Section 31676.01.
10 The election shall be made within 45 calendar days of beginning
11 employment with the county or the district. If an employee does
12 not elect the pension calculation stated in Section 31676.19 within
13 45 days of beginning employment, the employee shall be deemed
14 to have elected the pension calculation stated in Section 31676.01.
15 An employee shall not be permitted to rescind his or her election
16 unless the board of supervisors or the governing body of a district,
17 through the adoption of a subsequent ordinance or resolution by
18 majority vote, makes a provision permitting the employee to
19 rescind the election applicable to the county or district.
20 (2) Require a current employee of the county or district covered
21 by the pension calculation stated in Section 31676.19, hired before

1 approval of the resolution, within 180 calendar days of approval
2 of the resolution to make, at the employee's option, a one-time
3 written election to terminate the application of the pension
4 calculation stated in Section 31676.19 for future service and elect
5 instead the pension calculation stated in Section 31676.01 for
6 future service. This election shall be signed by the employee. Prior
7 to signing an election, a current employee who chooses to terminate
8 the pension calculation stated in Section 31676.19 and elects
9 instead the pension calculation stated in Section 31676.01, shall
10 be provided by the county or district governing body with a written
11 explanation of the effect and impact of the termination. A current
12 employee who chooses to terminate the pension calculation stated
13 in Section 31676.19 shall be required to sign an affidavit stating
14 that the employee has been fully informed regarding the effect of
15 the termination and understands that the termination is irrevocable.
16 The affidavit shall also state that the employee has chosen
17 termination of his or her own free will and was not coerced into
18 termination by the employer or any other person. An employee
19 shall not be permitted to rescind his or her election unless the board
20 of supervisors or the governing body of a district, through the
21 adoption of a subsequent ordinance or resolution by majority vote,
22 makes a provision permitting the employee to rescind the election
23 applicable to the county or district.

24 (3) Require a current employee of the county or district, hired
25 before approval of the resolution, but not covered by the pension
26 calculation stated in Section 31676.19, who after approval of the
27 resolution becomes eligible for the pension calculation stated in
28 Section 31676.19, to make a one-time written election between
29 the pension calculation stated in Section 31676.19 for future service
30 and the pension calculation stated in Section 31676.01 for future
31 service. The election shall be made within 45 calendar days of
32 becoming eligible for the pension calculation stated in Section
33 31676.19. The election shall be signed by the employee. Prior to
34 signing the election, an employee who does not elect the pension
35 calculation stated in Section 31676.19 and elects instead the
36 pension calculation stated in Section 31676.01 shall be provided
37 by the county or the district governing body with a written
38 explanation of the effect and impact of the election. An employee
39 who does not choose the pension calculation stated in Section
40 31676.19 shall be required to sign an affidavit stating that the

1 employee has been fully informed regarding the effect of the
2 election and understands that the election is irrevocable. The
3 affidavit shall also state that the employee has chosen the election
4 of his or her own free will and was not coerced into the election
5 by the employer or any other person. An employee shall not be
6 permitted to rescind his or her election unless the board of
7 supervisors or the governing body of a district, through the
8 adoption of a subsequent ordinance or resolution by majority vote,
9 makes a provision permitting the employee to rescind the election
10 applicable to the county or district. Failure to make an election
11 within 45 calendar days shall be considered cause for termination
12 of employment until the employee described in this paragraph has
13 made the required election.

14 (b) The retirement allowance for service rendered prior to the
15 effective date of the election under paragraph (2) or (3) of
16 subdivision (a) for an employee covered by any other pension
17 calculation shall be calculated under the employee's prior pension
18 calculation. Any employee who has made an election shall not be
19 eligible for retirement unless the employee meets the minimum
20 requirements of the provision or provisions pursuant to the election
21 applicable at the date of retirement.

22 (c) (1) An election for the pension calculation stated in Section
23 31676.01 by any employee hired before approval of the resolution
24 shall include the signature of the designated beneficiary of the
25 employee's pension acknowledging the election, or shall include
26 a written declaration of one or more of the following as may be
27 applicable:

28 (A) The beneficiary has no identifiable community property
29 interest in the benefit.

30 (B) The employee does not know, and has taken all reasonable
31 steps to determine, the whereabouts of the beneficiary.

32 (C) The beneficiary has been advised of the election and has
33 refused to sign the written acknowledgment.

34 (D) The beneficiary is incapable of executing the
35 acknowledgment because of an incapacitating mental or physical
36 condition.

37 (2) The purpose of this subdivision is to notify the beneficiary,
38 including the employee's spouse or domestic partner, of an election
39 made by the employee that may affect the entitlement of the
40 beneficiary. In addition to the foregoing, if the designated

1 beneficiary of an employee's pension is a spouse or domestic
2 partner of the employee, the election shall also evidence agreement
3 to the election by the spouse or domestic partner.

4 (3) A person who knowingly provides false information in the
5 written declaration submitted pursuant to paragraph (1) shall be
6 subject to a civil penalty of not less than one thousand dollars
7 (\$1,000) and not more than twenty-five thousand dollars (\$25,000),
8 in addition to any civil remedies available to the board. An action
9 to impose a civil penalty pursuant to this paragraph may be brought
10 by any public prosecutor in the name of the people of the state.

11 (d) In the event the employee elects the pension calculation
12 stated in Section 31676.01, the employee shall be eligible to receive
13 a contribution from the county or district based on the employee's
14 contribution to a defined contribution program.

15 (e) In addition to employees represented by bargaining units,
16 any other employees not represented by a bargaining unit, as well
17 as supervisors, managers, and executives, may be subject to
18 subdivision (a) pursuant to the resolution described in subdivision
19 (a).

20 (f) This section shall apply only to members who retire on or
21 after the effective date of the resolution described in subdivision
22 (a).

23 (g) This section shall not apply to safety members.

24 (h) A resolution adopted by the board of supervisors under
25 subdivision (a) shall not apply to the employees of any district
26 within the county. The governing body of a district may elect, by
27 resolution adopted by majority vote, to make this section applicable
28 to the employees of the district irrespective of whether the board
29 of supervisors has made that election applicable to employees in
30 the county.

31 (i) Any person employed subsequent to the effective date of a
32 resolution adopted under subdivision (a) who would otherwise
33 qualify as a member shall not become a member until he or she
34 certifies his or her election, or otherwise as described above has
35 been deemed to have elected, to be covered by the pension
36 calculation stated in Section 31676.01 or the pension calculation
37 stated in Section 31676.19. Any employee who subsequently
38 otherwise becomes eligible for the pension calculation stated in
39 Section 31676.19 subsequent to the effective date of a resolution
40 adopted under subdivision (a) shall continue to be covered by any

1 immediately preceding retirement plan to which he or she was
2 entitled from the county or district until he or she certifies his or
3 her election to be covered by the pension calculation stated in
4 Section 31676.01 or the pension calculation stated in Section
5 31676.19.

6 (j) In the event that the final day to make an election or perform
7 an act described in this section falls on a weekend or on a county
8 or district holiday, a subsequent election or act shall be timely if
9 made or performed on the immediately following regular business
10 day of the county or district.

11 (k) *This section shall apply only in Orange County.*

12 SEC. 2. This act is an urgency statute necessary for the
13 immediate preservation of the public peace, health, or safety within
14 the meaning of Article IV of the Constitution and shall go into
15 immediate effect. The facts constituting the necessity are:

16 In order that the terms of a memorandum of understanding
17 between the Orange County Employees Association and Orange
18 County regarding the implementation of a new, optional tier of
19 retirement benefits for new and incumbent employees take effect
20 as soon as possible, it is necessary that this act take effect
21 immediately.
