AMENDED IN SENATE APRIL 7, 2010

SENATE BILL

No. 878

Introduced by Senator Liu

January 12, 2010

An act to amend, *repeal, and add* Sections 27297.6 and 27387.1 of the Government Code, relating to local government.

LEGISLATIVE COUNSEL'S DIGEST

SB 878, as amended, Liu. Local government: Los Angeles County: notice of recordation.

(1) Existing law authorizes the Los Angeles County Recorder, following the adoption of an authorizing resolution by the Los Angeles County Board of Supervisors, to mail a notice of recordation to the party or parties executing a deed, quitclaim deed, or deed of trust within 30 days of the recording of one of those documents.

This bill, *until January 1, 2015*, would modify that authorization to also include notice of recordation, provided by mail by the recorder or a designee of the board, to a party or parties executing a deed, quitclaim deed, or deed of trust, within 30 days of recordation, or to a party or parties subject to a notice of default or notice of sale of a property, including the occupants of that property, within 5 days, *but in any event no more than 20 days*, of recordation. *If the board of supervisors adopts an authorizing resolution, as specified, the bill would require the County of Los Angeles to submit a report with prescribed information to certain committees of the Legislature on or before January 1, 2014.*

(2) Existing law also authorizes the Los Angeles County Recorder to collect a fee for mailing notice of recordation from any party filing a deed, quitclaim deed, or deed of trust, unless that party is a government

entity. Existing law prohibits this fee from exceeding the cost of mailing the notice of recordation or \$7.

This bill, *until January 1, 2015*, would additionally authorize the recorder to collect a fee for notice of recordation from any party other than a government entity that files a notice of default or notice of sale. The bill would also authorize the recorder to use a portion of the collected fee to pay the actual cost, if any, of providing information, counseling, and assistance to a person who receives the notice.

(3) This bill would make legislative findings and declarations as to the necessity of a special statute for the County of Los Angeles.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

9 SEC. 5. The Legislature finds and declares that a special law
10 is necessary and that a general law cannot be made applicable

13 a foreclosure and real estate fraud crisis, as discussed in the
14 county's "Report and Recommendations to Address Foreclosures
15 and Real Estate Fraud" issued March 17, 2009, that necessitates
16 additional authority for the county to provide notice of the
17 recording of certain foreclosure-related real property transactions
18 to interested parties.
