SENATE BILL

No. 884

**Introduced by Senator Ashburn
(Coauthor: Senator Runner)**

January 19, 2010

An act to amend Sections 6225, ~~6459, and 6592~~ *and 6459* of, and to add ~~Sections 6225.1 and 6225.2~~ *Section 6225.1* to, the Revenue and Taxation Code, relating to taxation, and declaring the urgency thereof, to take effect immediately.

LEGISLATIVE COUNSEL'S DIGEST

SB 884, as amended, Ashburn. Sales and use taxes: use tax: administration.

The Sales and Use Tax Law imposes a tax on the gross receipts from the sale in this state of, or the storage, use, or other consumption in this state of, tangible personal property. In order to facilitate the collection of the use tax, a qualified purchaser, as defined, is required to register with the State Board of Equalization and to report and pay by April 15 the use tax owed for the previous calendar year, as provided.

This bill, for reporting periods commencing on and after January 1, 2010, would revise the above requirements to instead ~~provide~~ *provide* that a qualified purchaser is subject to other related provisions governing returns and payments and would authorize the board, for the 2009 calendar year reporting period only, to grant a reasonable extension of time for filing a return when it determines that good cause exists

pursuant to these provisions. ~~The bill would prohibit a penalty from being imposed on a qualified purchaser's failure to timely remit use tax for reporting periods in 2007, 2008, and 2009, if the qualified purchaser remits payment of the use tax attributable to those periods on or before March 15, 2011. The bill would also require the board to refund any penalty paid with respect to those taxes, as prescribed, provided that the qualified purchaser has paid all use tax liability for those reporting periods on or before March 15, 2011. The bill would declare that its provisions and retroactive application serve a public purpose, as specified.~~

This bill would declare that it is to take effect immediately as an urgency statute.

Vote: $\frac{2}{3}$. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
