

Introduced by Senator Correa

February 17, 2010

An act to amend Sections 11410 and 15200.5 of, and to add Section 11410.5 to, the Welfare and Institutions Code, relating to foster care.

LEGISLATIVE COUNSEL'S DIGEST

SB 1099, as introduced, Correa. Foster care funds: subsidized child care for foster parents.

Existing law establishes the Aid to Families with Dependent Children-Foster Care (AFDC-FC) program, under which counties provide payments to foster care providers on behalf of qualified children in foster care.

Existing law requires the county to amend its foster care state plan to authorize counties that elect to subsidize child care for foster parents to use specified federal matching funds for that purpose. Under existing law, the county is responsible for 100% of the nonfederal share of payments to foster parents for this purpose.

Existing law, the Child Care and Development Services Act provides child care and development services to children from birth to 13 years of age and their parents through full- and part-time programs. The act requires the Superintendent of Public Instruction to adopt rules and regulations on eligibility, enrollment, and priority of services needed to implement those programs, and gives priority to neglected or abused children who are recipients of child protective services, or children who are at risk of being neglected or abused, as specified.

This bill would require the State Department of Social Services to amend its foster care state plan to authorize the use of state child care and development funds administered by the State Department of Education as the nonfederal match for specified child care for children

receiving protective services, foster children, and children at risk of abuse and neglect. The bill would make conforming changes to the law relating to the payment of the nonfederal share of these costs.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
