SENATE BILL

No. 1118

Introduced by Senator Ashburn

February 17, 2010

An act to add Section 84207 to the Government Code, relating to the Political Reform Act of 1974.

LEGISLATIVE COUNSEL'S DIGEST

SB 1118, as amended, Ashburn. Political Reform Act of 1974: contributions: disclosure.

Existing law, the Political Reform Act of 1974, requires reporting of contributions made to a candidate for elective state office. Certain contributions are required to be reported to the Secretary of State within 24 hours by the contributor and the recipient.

This bill would require the contributor and recipient of a contribution or contributions to the Governor or a Member of the Legislature totaling \$1,000 or more during a specified state budget time period or a specified period before or after the end of the first year or 2nd year of a legislative session to file online a report disclosing the a separate contribution or contributions exceeding \$1,000 within 24 hours of the time the contribution is made or received, except that the contribution would only be required to comply with this provision if he or she were already required to file online or electronically pursuant to another provision of existing law. This The bill would require the Fair Political Practices Commission to issue a reporting calendar by January 15 of each year which delineates the new reporting periods.

Existing law makes a violation of the act subject to administrative, civil, and criminal penalties.

By subjecting persons who violate these provisions to criminal penalties, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

The Political Reform Act of 1974, an initiative measure, provides that the Legislature may amend the act to further the act's purposes upon a $\frac{2}{3}$ vote of each house and compliance with specified procedural requirements.

This bill would declare that it furthers the purposes of the act.

Vote: $\frac{2}{3}$. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:
