February 18, 2010

~~An act to add Section 4474.9 to the Welfare and Institutions Code, relating to developmental services. An act to amend Section 1596.656 of the Health and Safety Code, relating to child care.~~

LEGISLATIVE COUNSEL'S DIGEST

SB 1196, as amended, ~~Negrete McLeod~~ DeSaulnier. ~~Lanterman Developmental Center. Child Care.~~

Existing law requires the State Department of Social Services to establish a trustline registry for trustline providers who met prescribed requirements.

Existing law defines trustline provider as a person 18 years of age or older who provides child care, supervision, or any person providing in-home educational or counseling services to a minor, and who is not required to be licensed as a child day care provider.

Existing law, commencing January 1, 2011, provides that a person who provides care or supervision in an ancillary day care center, as defined, shall be registered as a trustline provider, and specifically defines trustline provider as also meaning a person who provides care or child care supervision in an ancillary day care center, other than the parent, or guardian of the child receiving the care.

This bill would, instead, provide that, commencing January 1, 2011, a person 18 years of age or over who provides care or supervision in an ancillary day care center, shall be registered as a trustline provider. It would specifically provide that nothing in the trustline provider

provisions shall be construed to prevent a person under 18 years of age from being employed in an ancillary day care center.

~~Existing law vests the State Department of Developmental Services with jurisdiction over specified state developmental centers, including the Lanterman Developmental Center, to be used as a developmental center for the provision of services to people with developmental disabilities. Existing law specifies the procedure that the department is required to use in the closure of a developmental center.~~

~~This bill would require plans and other public documents, and notice of public meetings or teleconferences, relative to the proposed closure of the Lanterman Developmental Center, to be posted on the department’s Internet Web site, as specified.~~
