

**Introduced by Senator Padilla**

February 19, 2010

---

An act to add Sections 11547.5 and 11547.7 to the Government Code, relating to state government.

LEGISLATIVE COUNSEL'S DIGEST

SB 1436, as introduced, Padilla. State Chief Information Officer.

Existing law creates the office of the State Chief Information Officer, within the Governor's cabinet, with a State Chief Information Officer having specified duties in creating and managing the technology policy of the state.

This bill would require the State Chief Information Officer to make recommendations to the Legislature by a unspecified date for an open government directive and take actions with regard to information technology consistent with ideas of government transparency and public participation and collaboration in government.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.

*The people of the State of California do enact as follows:*

1 SECTION 1. Section 11547.5 is added to the Government  
2 Code, to read:

3 11547.5. The State Chief Information Officer shall coordinate  
4 with state agencies and departments to develop recommendations  
5 for an open government directive, and report his or her  
6 recommendation to the Legislature on or before \_\_\_\_, 2012.

7 SEC. 2. Section 11547.7 is added to the Government Code, to  
8 read:

1 11547.7. The State Chief Information Officer shall take actions  
2 with regard to information technology consistent with ideas of  
3 government transparency and public participation and collaboration  
4 in government.
