

AMENDED IN ASSEMBLY MARCH 8, 2011

CALIFORNIA LEGISLATURE—2011–12 REGULAR SESSION

ASSEMBLY BILL

No. 217

Introduced by Assembly Member Carter

January 31, 2011

An act to amend Section 6404.5 of the Labor Code, relating to occupational safety and health.

LEGISLATIVE COUNSEL'S DIGEST

AB 217, as amended, Carter. Workplace smoking prohibition: long-term health care facilities.

Existing law prohibits an employer from knowingly or intentionally permitting, and a person from engaging in, the smoking of tobacco products in an enclosed space at a place of employment. Existing law provides that “place of employment” for purposes of that prohibition does not include, among other places, patient smoking areas in long-term health care facilities, as defined. Existing law provides that any violation of that prohibition is an infraction, punishable by a fine not to exceed \$100 for a first violation, \$200 for a 2nd violation within one year, and \$500 for a 3rd and for each subsequent violation within one year.

This bill would delete that exception for patient smoking areas in long-term health care facilities, thereby making those areas subject to the smoking prohibition described above.

By creating an additional crime punishable as an infraction, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. Section 6404.5 of the Labor Code is amended to
2 read:

3 6404.5. (a) The Legislature finds and declares that regulation
4 of smoking in the workplace is a matter of statewide interest and
5 concern. It is the intent of the Legislature in enacting this section
6 to prohibit the smoking of tobacco products in all (100 percent of)
7 enclosed places of employment in this state, as covered by this
8 section, thereby eliminating the need of local governments to enact
9 workplace smoking restrictions within their respective jurisdictions.
10 It is further the intent of the Legislature to create a uniform
11 statewide standard to restrict and prohibit the smoking of tobacco
12 products in enclosed places of employment, as specified in this
13 section, in order to reduce employee exposure to environmental
14 tobacco smoke to a level that will prevent anything other than
15 insignificantly harmful effects to exposed employees, and also to
16 eliminate the confusion and hardship that can result from enactment
17 or enforcement of disparate local workplace smoking restrictions.
18 Notwithstanding any other provision of this section, it is the intent
19 of the Legislature that any area not defined as a “place of
20 employment” pursuant to subdivision (d) or in which the smoking
21 of tobacco products is not regulated pursuant to subdivision (e)
22 shall be subject to local regulation of smoking of tobacco products.

23 (b) No employer shall knowingly or intentionally permit, and
24 no person shall engage in, the smoking of tobacco products in an
25 enclosed space at a place of employment. “Enclosed space”
26 includes lobbies, lounges, waiting areas, elevators, stairwells, and
27 restrooms that are a structural part of the building and not
28 specifically defined in subdivision (d).

29 (c) For purposes of this section, an employer who permits any
30 nonemployee access to his or her place of employment on a regular
31 basis has not acted knowingly or intentionally in violation of this
32 section if he or she has taken the following reasonable steps to
33 prevent smoking by a nonemployee:

1 (1) Posted clear and prominent signs, as follows:

2 (A) Where smoking is prohibited throughout the building or
3 structure, a sign stating “No smoking” shall be posted at each
4 entrance to the building or structure.

5 (B) Where smoking is permitted in designated areas of the
6 building or structure, a sign stating “Smoking is prohibited except
7 in designated areas” shall be posted at each entrance to the building
8 or structure.

9 (2) Has requested, when appropriate, that a nonemployee who
10 is smoking refrain from smoking in the enclosed workplace.

11 For purposes of this subdivision, “reasonable steps” does not
12 include (A) the physical ejection of a nonemployee from the place
13 of employment or (B) any requirement for making a request to a
14 nonemployee to refrain from smoking, under circumstances
15 involving a risk of physical harm to the employer or any employee.

16 (d) For purposes of this section, “place of employment” does
17 not include any of the following:

18 (1) Sixty-five percent of the guestroom accommodations in a
19 hotel, motel, or similar transient lodging establishment.

20 (2) Areas of the lobby in a hotel, motel, or other similar transient
21 lodging establishment designated for smoking by the establishment.
22 An establishment may permit smoking in a designated lobby area
23 that does not exceed 25 percent of the total floor area of the lobby
24 or, if the total area of the lobby is 2,000 square feet or less, that
25 does not exceed 50 percent of the total floor area of the lobby. For
26 purposes of this paragraph, “lobby” means the common public
27 area of an establishment in which registration and other similar or
28 related transactions, or both, are conducted and in which the
29 establishment’s guests and members of the public typically
30 congregate.

31 (3) Meeting and banquet rooms in a hotel, motel, other transient
32 lodging establishment similar to a hotel or motel, restaurant, or
33 public convention center, except while food or beverage functions
34 are taking place, including setup, service, and cleanup activities,
35 or when the room is being used for exhibit purposes. At times
36 when smoking is not permitted in a meeting or banquet room
37 pursuant to this paragraph, the establishment may permit smoking
38 in corridors and prefunction areas adjacent to and serving the
39 meeting or banquet room if no employee is stationed in that
40 corridor or area on other than a passing basis.

(4) Retail or wholesale tobacco shops and private smokers' lounges. For purposes of this paragraph:

(A) "Private smokers' lounge" means any enclosed area in or attached to a retail or wholesale tobacco shop that is dedicated to the use of tobacco products, including, but not limited to, cigars and pipes.

(B) "Retail or wholesale tobacco shop" means any business establishment the main purpose of which is the sale of tobacco products, including, but not limited to, cigars, pipe tobacco, and smoking accessories.

(5) Cabs of motortrucks, as defined in Section 410 of the Vehicle Code, or truck tractors, as defined in Section 655 of the Vehicle Code, if no nonsmoking employees are present.

(6) Warehouse facilities. For purposes of this paragraph, "warehouse facility" means a warehouse facility with more than 100,000 square feet of total floorspace, and 20 or fewer full-time employees working at the facility, but does not include any area within a facility that is utilized as office space.

(7) Gaming clubs, in which smoking is permitted by subdivision (f). For purposes of this paragraph, "gaming club" means any gaming club, as defined in Section 19802 of the Business and Professions Code, or bingo facility, as defined in Section 326.5 of the Penal Code, that restricts access to minors under 18 years of age.

(8) Bars and taverns, in which smoking is permitted by subdivision (f). For purposes of this paragraph, "bar" or "tavern" means a facility primarily devoted to the serving of alcoholic beverages for consumption by guests on the premises, in which the serving of food is incidental. "Bar or tavern" includes those facilities located within a hotel, motel, or other similar transient occupancy establishment. However, when located within a building in conjunction with another use, including a restaurant, "bar" or "tavern" includes only those areas used primarily for the sale and service of alcoholic beverages. "Bar" or "tavern" does not include the dining areas of a restaurant, regardless of whether alcoholic beverages are served therein.

(9) Theatrical production sites, if smoking is an integral part of the story in the theatrical production.

(10) Medical research or treatment sites, if smoking is integral to the research and treatment being conducted.

1 (11) Private residences, except for private residences licensed
2 as family day care homes, during the hours of operation as family
3 day care homes and in those areas where children are present.

4 ~~(12) Patient smoking areas in long-term health care facilities,~~
5 ~~as defined in Section 1418 of the Health and Safety Code.~~

6 ~~(13)~~

7 (12) Breakrooms designated by employers for smoking, provided
8 that all of the following conditions are met:

9 (A) Air from the smoking room shall be exhausted directly to
10 the outside by an exhaust fan. Air from the smoking room shall
11 not be recirculated to other parts of the building.

12 (B) The employer shall comply with any ventilation standard
13 or other standard utilizing appropriate technology, including, but
14 not limited to, mechanical, electronic, and biotechnical systems,
15 adopted by the Occupational Safety and Health Standards Board
16 or the federal Environmental Protection Agency. If both adopt
17 inconsistent standards, the ventilation standards of the Occupational
18 Safety and Health Standards Board shall be no less stringent than
19 the standards adopted by the federal Environmental Protection
20 Agency.

21 (C) The smoking room shall be located in a nonwork area where
22 no one, as part of his or her work responsibilities, is required to
23 enter. For purposes of this subparagraph, "work responsibilities"
24 does not include any custodial or maintenance work carried out in
25 the breakroom when it is unoccupied.

26 (D) There are sufficient nonsmoking breakrooms to
27 accommodate nonsmokers.

28 ~~(14)~~

29 (13) Employers with a total of five or fewer employees, either
30 full time or part time, may permit smoking where all of the
31 following conditions are met:

32 (A) The smoking area is not accessible to minors.

33 (B) All employees who enter the smoking area consent to permit
34 smoking. No one, as part of his or her work responsibilities, shall
35 be required to work in an area where smoking is permitted. An
36 employer who is determined by the division to have used coercion
37 to obtain consent or who has required an employee to work in the
38 smoking area shall be subject to the penalty provisions of Section
39 6427.

1 (C) Air from the smoking area shall be exhausted directly to
2 the outside by an exhaust fan. Air from the smoking area shall not
3 be recirculated to other parts of the building.

4 (D) The employer shall comply with any ventilation standard
5 or other standard utilizing appropriate technology, including, but
6 not limited to, mechanical, electronic, and biotechnical systems,
7 adopted by the Occupational Safety and Health Standards Board
8 or the federal Environmental Protection Agency. If both adopt
9 inconsistent standards, the ventilation standards of the Occupational
10 Safety and Health Standards Board shall be no less stringent than
11 the standards adopted by the federal Environmental Protection
12 Agency.

13 This paragraph shall not be construed to (i) supersede or render
14 inapplicable any condition or limitation on smoking areas made
15 applicable to specific types of business establishments by any other
16 paragraph of this subdivision or (ii) apply in lieu of any otherwise
17 applicable paragraph of this subdivision that has become
18 inoperative.

19 (e) Paragraphs (12) and (13) ~~and (14)~~ of subdivision (d) shall
20 not be construed to require employers to provide reasonable
21 accommodation to smokers, or to provide breakrooms for smokers
22 or nonsmokers.

23 (f) (1) Except as otherwise provided in this subdivision,
24 smoking may be permitted in gaming clubs, as defined in paragraph
25 (7) of subdivision (d), and in bars and taverns, as defined in
26 paragraph (8) of subdivision (d), until the earlier of the following:

27 (A) January 1, 1998.

28 (B) The date of adoption of a regulation (i) by the Occupational
29 Safety and Health Standards Board reducing the permissible
30 employee exposure level to environmental tobacco smoke to a
31 level that will prevent anything other than insignificantly harmful
32 effects to exposed employees or (ii) by the federal Environmental
33 Protection Agency establishing a standard for reduction of
34 permissible exposure to environmental tobacco smoke to an
35 exposure level that will prevent anything other than insignificantly
36 harmful effects to exposed persons.

37 (2) If a regulation specified in subparagraph (B) of paragraph
38 (1) is adopted on or before January 1, 1998, smoking may thereafter
39 be permitted in gaming clubs and in bars and taverns, subject to
40 full compliance with, or conformity to, the standard in the

1 regulation within two years following the date of adoption of the
2 regulation. An employer failing to achieve compliance with, or
3 conformity to, the regulation within this two-year period shall
4 prohibit smoking in the gaming club, bar, or tavern until
5 compliance or conformity is achieved. If the Occupational Safety
6 and Health Standards Board and the federal Environmental
7 Protection Agency both adopt regulations specified in subparagraph
8 (B) of paragraph (1) that are inconsistent, the regulations of the
9 Occupational Safety and Health Standards Board shall be no less
10 stringent than the regulations of the federal Environmental
11 Protection Agency.

12 (3) If a regulation specified in subparagraph (B) of paragraph
13 (1) is not adopted on or before January 1, 1998, the exemptions
14 specified in paragraphs (7) and (8) of subdivision (d) shall become
15 inoperative on and after January 1, 1998, until a regulation is
16 adopted. Upon adoption of such a regulation on or after January
17 1, 1998, smoking may thereafter be permitted in gaming clubs and
18 in bars and taverns, subject to full compliance with, or conformity
19 to, the standard in the regulation within two years following the
20 date of adoption of the regulation. An employer failing to achieve
21 compliance with, or conformity to, the regulation within this
22 two-year period shall prohibit smoking in the gaming club, bar,
23 or tavern until compliance or conformity is achieved. If the
24 Occupational Safety and Health Standards Board and the federal
25 Environmental Protection Agency both adopt regulations specified
26 in subparagraph (B) of paragraph (1) that are inconsistent, the
27 regulations of the Occupational Safety and Health Standards Board
28 shall be no less stringent than the regulations of the federal
29 Environmental Protection Agency.

30 (4) From January 1, 1997, to December 31, 1997, inclusive,
31 smoking may be permitted in gaming clubs, as defined in paragraph
32 (7) of subdivision (d), and in bars and taverns, as defined in
33 paragraph (8) of subdivision (d), subject to both of the following
34 conditions:

35 (A) If practicable, the gaming club or bar or tavern shall
36 establish a designated nonsmoking area.

37 (B) If feasible, no employee shall be required, in the
38 performance of ordinary work responsibilities, to enter any area
39 in which smoking is permitted.

(g) The smoking prohibition set forth in this section shall constitute a uniform statewide standard for regulating the smoking of tobacco products in enclosed places of employment and shall supersede and render unnecessary the local enactment or enforcement of local ordinances regulating the smoking of tobacco products in enclosed places of employment. Insofar as the smoking prohibition set forth in this section is applicable to all (100-percent) places of employment within this state and, therefore, provides the maximum degree of coverage, the practical effect of this section is to eliminate the need of local governments to enact enclosed workplace smoking restrictions within their respective jurisdictions.

(h) Nothing in this section shall prohibit an employer from prohibiting smoking in an enclosed place of employment for any reason.

(i) The enactment of local regulation of smoking of tobacco products in enclosed places of employment by local governments shall be suspended only for as long as, and to the extent that, the (100-percent) smoking prohibition provided for in this section remains in effect. In the event this section is repealed or modified by subsequent legislative or judicial action so that the (100-percent) smoking prohibition is no longer applicable to all enclosed places of employment in California, local governments shall have the full right and authority to enforce previously enacted, and to enact and enforce new, restrictions on the smoking of tobacco products in enclosed places of employment within their jurisdictions, including a complete prohibition of smoking. Notwithstanding any other provision of this section, any area not defined as a “place of employment” or in which smoking is not regulated pursuant to subdivision (d) or (e), shall be subject to local regulation of smoking of tobacco products.

(j) Any violation of the prohibition set forth in subdivision (b) is an infraction, punishable by a fine not to exceed one hundred dollars (\$100) for a first violation, two hundred dollars (\$200) for a second violation within one year, and five hundred dollars (\$500) for a third and for each subsequent violation within one year. This subdivision shall be enforced by local law enforcement agencies, including, but not limited to, local health departments, as determined by the local governing body.

(k) Notwithstanding Section 6309, the division shall not be required to respond to any complaint regarding the smoking of

tobacco products in an enclosed space at a place of employment, unless the employer has been found guilty pursuant to subdivision (j) of a third violation of subdivision (b) within the previous year.

(l) If any provision of this act or the application thereof to any person or circumstances is held invalid, that invalidity shall not affect other provisions or applications of the act that can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.

SEC. 2. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

~~SECTION 1. Section 6404.5 of the Labor Code is amended to read:~~

~~6404.5. (a) The Legislature finds and declares that regulation of smoking in the workplace is a matter of statewide interest and concern. It is the intent of the Legislature in enacting this section to prohibit the smoking of tobacco products in all (100 percent of) enclosed places of employment in this state, as covered by this section, thereby eliminating the need of local governments to enact workplace smoking restrictions within their respective jurisdictions. ~~(2) Has requested, when appropriate, that a nonemployee who is smoking refrain from smoking in the enclosed workplace.~~

~~For purposes of this subdivision, "reasonable steps" does not include (A) the physical ejection of a nonemployee from the place of employment or (B) any requirement for making a request to a nonemployee to refrain from smoking, under circumstances involving a risk of physical harm to the employer or any employee.~~

31 (7) Gaming clubs, in which smoking is permitted by subdivision
32 (f). For purposes of this paragraph, "gaming club" means any
33 establishment where any card game is played for currency, check,

35 unlawful by Chapter 9 (commencing with Section 319) or Chapter

25 ~~specified in paragraphs (7) and (8) of subdivision (d) shall become~~
26 ~~inoperative on and after January 1, 1998, until a regulation is~~

29 ~~in bars and taverns, subject to full compliance with, or conformity~~
30 ~~to, the standard in the regulation within two years following the~~

32 ~~compliance with, or conformity to, the regulation within this~~
33 ~~two-year period shall prohibit smoking in the gaming club, bar,~~
34 ~~or tavern until compliance or conformity is achieved. If the~~
35 ~~Occupational Safety and Health Standards Board and the federal~~
36 ~~Environmental Protection Agency both adopt regulations specified~~
37 ~~in subparagraph (B) of paragraph (1) that are inconsistent, the~~
38 ~~regulations of the Occupational Safety and Health Standards Board~~
39 ~~shall be no less stringent than the regulations of the federal~~
40 ~~Environmental Protection Agency.~~

1 ~~(4) From January 1, 1997, to December 31, 1997, inclusive,~~
2 ~~smoking may be permitted in gaming clubs, as defined in paragraph~~
3 ~~(7) of subdivision (d), and in bars and taverns, as defined in~~
4 ~~paragraph (8) of subdivision (d), subject to both of the following~~
5 ~~conditions:~~

6 ~~(A) If practicable, the gaming club or bar or tavern shall~~
7 ~~establish a designated nonsmoking area.~~

8 ~~(B) If feasible, no employee shall be required, in the~~
9 ~~performance of ordinary work responsibilities, to enter any area~~
10 ~~in which smoking is permitted.~~

11 ~~(g) The smoking prohibition set forth in this section shall~~
12 ~~constitute a uniform statewide standard for regulating the smoking~~
13 ~~of tobacco products in enclosed places of employment and shall~~
14 ~~supersede and render unnecessary the local enactment or~~
15 ~~enforcement of local ordinances regulating the smoking of tobacco~~
16 ~~products in enclosed places of employment. Insofar as the smoking~~
17 ~~prohibition set forth in this section is applicable to all (100-percent)~~
18 ~~places of employment within this state and, therefore, provides~~
19 ~~the maximum degree of coverage, the practical effect of this section~~
20 ~~is to eliminate the need of local governments to enact enclosed~~
21 ~~workplace smoking restrictions within their respective jurisdictions.~~

22 ~~(h) Nothing in this section shall prohibit an employer from~~
23 ~~prohibiting smoking in an enclosed place of employment for any~~
24 ~~reason.~~

25 ~~(i) The enactment of local regulation of smoking of tobacco~~
26 ~~products in enclosed places of employment by local governments~~
27 ~~shall be suspended only for as long as, and to the extent that, the~~
28 ~~(100-percent) smoking prohibition provided for in this section~~
29 ~~remains in effect. In the event this section is repealed or modified~~
30 ~~by subsequent legislative or judicial action so that the (100-percent)~~
31 ~~smoking prohibition is no longer applicable to all enclosed places~~
32 ~~of employment in California, local governments shall have the full~~
33 ~~right and authority to enforce previously enacted, and to enact and~~
34 ~~enforce new, restrictions on the smoking of tobacco products in~~
35 ~~enclosed places of employment within their jurisdictions, including~~
36 ~~a complete prohibition of smoking. Notwithstanding any other~~
37 ~~provision of this section, any area not defined as a “place of~~
38 ~~employment” or in which smoking is not regulated pursuant to~~
39 ~~subdivision (d) or (e), shall be subject to local regulation of~~
40 ~~smoking of tobacco products.~~

1 ~~(j) Any violation of the prohibition set forth in subdivision (b)~~
2 ~~is an infraction, punishable by a fine not to exceed one hundred~~
3 ~~dollars (\$100) for a first violation, two hundred dollars (\$200) for~~
4 ~~a second violation within one year, and five hundred dollars (\$500)~~
5 ~~for a third and for each subsequent violation within one year. This~~
6 ~~subdivision shall be enforced by local law enforcement agencies,~~
7 ~~including, but not limited to, local health departments, as~~
8 ~~determined by the local governing body.~~

9 ~~(k) Notwithstanding Section 6309, the division shall not be~~
10 ~~required to respond to any complaint regarding the smoking of~~
11 ~~tobacco products in an enclosed space at a place of employment,~~
12 ~~unless the employer has been found guilty pursuant to subdivision~~
13 ~~(j) of a third violation of subdivision (b) within the previous year.~~

14 ~~(l) If any provision of this act or the application thereof to any~~
15 ~~person or circumstances is held invalid, that invalidity shall not~~
16 ~~affect other provisions or applications of the act that can be given~~
17 ~~effect without the invalid provision or application, and to this end~~
18 ~~the provisions of this act are severable.~~

19 ~~SEC. 2. No reimbursement is required by this act pursuant to~~
20 ~~Section 6 of Article XIII B of the California Constitution because~~
21 ~~the only costs that may be incurred by a local agency or school~~
22 ~~district will be incurred because this act creates a new crime or~~
23 ~~infraction, eliminates a crime or infraction, or changes the penalty~~
24 ~~for a crime or infraction, within the meaning of Section 17556 of~~
25 ~~the Government Code, or changes the definition of a crime within~~
26 ~~the meaning of Section 6 of Article XIII B of the California~~
27 ~~Constitution.~~
