This bill would require, notwithstanding any other provision of law, the department to consider specified factors in selecting a location for the lease, lease with the option to purchase, construction, or purchase of a state building in excess of 10,000 square feet.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 15817.5 is added to the Government

5 lease, lease with the option to purchase, construction, or purchase
6 of a state building in excess of 10,000 square feet, shall consider
7 all of the following factors:
8 (a) The location of the community or population served by the
9 state building.
10 (b) The residential location of the workforce to be housed in
11 the building. Priority may be given to the areas that can
12 demonstrate the highest reduction of miles traveled by its
13 workforce.
14 (c) The availability and proximity of high-quality and frequent
15 transit service, including regularly operated bus lines, that are
16 operational at the time a state agency occupies the building.
