

ASSEMBLY BILL

No. 948

Introduced by Assembly Member Furutani

February 18, 2011

An act to amend Sections 10507.7 and 20651 of the Public Contract Code, relating to public contracts.

LEGISLATIVE COUNSEL'S DIGEST

AB 948, as introduced, Furutani. Public contracts: competitive bidding: best value.

Existing law requires the Regents of the University of California, except as provided, to let all contracts involving an expenditure of more than \$100,000 annually for goods and materials or services to the lowest responsible bidder meeting certain specifications, or to reject all bids. Existing law requires the governing board of any community college district to let specified contracts involving an expenditure of more than \$50,000 to the lowest responsible bidder meeting certain specifications, or else to reject all bids.

This bill would provide that bid evaluation and selection for these contracts may include competitive means for obtaining best value while complying with the legislative intent of the above requirements.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 10507.7 of the Public Contract Code is
- 2 amended to read:

Contracts for services to be performed, other than personal or professional services, involving an expenditure of one hundred thousand dollars (\$100,000) or more annually shall be made or entered into with the lowest responsible bidder meeting specifications, or else all bids shall be rejected. If the regents deem it to be for the best interest of the university, the regents may, on the refusal or failure of the successful bidder for materials, goods, or services to execute a tendered contract, award it to the second lowest responsible bidder meeting specifications. If the second lowest responsible bidder fails or refuses to execute the contract, the regents may likewise award it to the third lowest responsible bidder meeting specifications.
