AMENDED IN ASSEMBLY MARCH 25, 2011

CALIFORNIA LEGISLATURE—2011–12 REGULAR SESSION

ASSEMBLY BILL

No. 1106

Introduced by Assembly Member Achadjian

February 18, 2011

An act to amend Sections 62.5 and 6434 of the Labor Code, relating to occupational safety and health.

LEGISLATIVE COUNSEL'S DIGEST

AB 1106, as amended, Achadjian. Occupational safety and health: local public entities: penalty moneys: grants.

Existing law requires the Commission on Health and Safety and Workers' Compensation in the Department of Industrial Relations to review and approve applications from employers and employee organizations, as well as applications submitted jointly by an employer organization and an employee organization, for grants to assist in establishing effective occupational injury and illness prevention programs, as specified.

Existing law requires certain civil and administrative penalties relating to workers' compensation to be deposited in the Workers' Compensation Administration Revolving Fund. Existing law authorizes the department to expend these funds upon approval by the commission, and upon appropriation from the fund by the Legislature, to fund the above-described grants and other activities and expenses of the commission.

Existing law requires any civil or administrative penalty assessed pursuant to the California Occupational Safety and Health Act of 1973

against a school district, county board of education, county superintendent of schools, charter school, community college district, California State University, University of California, or joint powers agency performing education functions to be deposited with the Workplace Health and Safety Revolving Fund. Existing law requires moneys in the fund that are not refunded, *as specified*, to be expended as provided for in the above-described grant provisions to assist schools in establishing effective occupational injury and illness prevention programs.

This bill would, instead, require any civil or administrative penalty assessed pursuant to the California Occupational Safety and Health Act of 1973 against a county, city, special district, public authority, public agency, joint powers authority, school district, county board of education, county superintendent of schools, charter school, community college district, California State University, University of California, or joint powers agency performing education functions to be deposited with the Workers' Compensation Administration Revolving Fund. The bill would require moneys in the fund that are not refunded to be expended as provided for in the above-described grant provisions to assist ~~local public entities~~ *the entities listed above, regardless of whether any penalty has been assessed against them*, in establishing and maintaining effective occupational injury and illness prevention programs.

This bill would add funding the above-described grants to the list of purposes for which moneys in the Workers' Compensation Administration Revolving Fund may be expended. This bill would make ~~other nonsubstantive~~ *nonsubstantive* changes to these provisions.

Existing law, the Labor Code Private Attorneys General Act of 2004, allows aggrieved employees to bring civil actions to recover penalties for violations of the Labor Code if the Labor and Workforce Development Agency or its departments, divisions, commissions, boards, agencies, or employees do not do so. The penalties collected in these actions are distributed 75% to the agency to be continuously appropriated for purposes of enforcement and education and 25% to the aggrieved employee, except as specified.

This bill would provide that the above provisions pertaining to civil or administrative penalties assessed pursuant to the California Occupational Safety and Health Act of 1973 shall not apply to that portion of any civil or administrative penalty that is distributed directly to an aggrieved employee pursuant to the above-described provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

7 employers exceed the amounts reasonably necessary to carry out
8 the purposes of this section.

13 each fiscal year as appropriate to reconcile any over/under
14 assessments from previous fiscal years pursuant to Sections 15606
15 and 15609 of Title 8 of the California Code of Regulations, and
16 may increase by not more than the state-local government deflator
17 each year thereafter through July 1, 2013, and, as appropriate, to
18 reconcile any over/under assessments from previous fiscal years.
19 For the 2013–14 fiscal year, the surcharge level shall return to the
20 level in place on June 30, 2009, adjusted for inflation based on the
21 state-local government deflator.

22 (3) A separate surcharge shall be levied by the director upon all
23 employers, as defined in Section 3300, for purposes of deposit in
24 the Labor Enforcement and Compliance Fund. The total amount
25 of the surcharges shall be allocated between employers in
26 proportion to payroll respectively paid in the most recent year for
27 which payroll information is available. The director shall adopt
28 reasonable regulations governing the manner of collection of the
29 surcharges. In no event shall the total amount of the surcharges
30 paid by employers exceed the amounts reasonably necessary to
31 carry out the purposes of this section.

32 (4) The surcharge levied by the director for the Labor
33 Enforcement and Compliance Fund shall not exceed thirty-seven
34 million dollars (\$37,000,000) in the 2009–10 fiscal year, adjusted
35 as appropriate to reconcile any over/under assessments from
36 previous fiscal years, and shall not be adjusted each year thereafter
37 by more than the state-local government deflator, and, as
38 appropriate, to reconcile any over/under assessments from previous
39 fiscal years pursuant to Sections 15606 and 15609 of Title 8 of the
40 California Code of Regulations.

(5) The regulations adopted pursuant to paragraph (1) to (4), inclusive, shall be exempt from the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code).

(g) On and after July 1, 2013, subdivision (e) and paragraphs (2) to (4), inclusive, of subdivision (f) are inoperative, unless a later enacted statute, that is enacted before July 1, 2013, deletes or extends that date.
