ASSEMBLY BILL

No. 1309

Introduced by Assembly Member Miller

February 18, 2011

An act to add *and repeal* Section 969.7 ~~to~~ of the Streets and Highways Code, relating to public roads.

LEGISLATIVE COUNSEL'S DIGEST

AB 1309, as amended, Miller. Public roads: fire suppression.

Existing law authorizes a county board of supervisors, after adopting a resolution, as specified, determining that the general county interest demands the improvement or repair of a privately owned road, to improve or repair that road and to pay for those improvements or repairs in a like manner as improvements or repairs of county highways.

This bill, *until January 1, 2017*, would grant a board of supervisors the same authority with respect to improvement and repair of a public road that is not a county highway or part of the county maintained system, if necessary for purposes of fire suppression.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 969.7 is added to the Streets and
- 2 Highways Code, to read:

8 paid for in like manner as improvements or repairs of county
9 highways. Proceedings under this section shall not cause the road
10 to become a county highway.

11 (b) *This section shall remain in effect only until January 1, 2017,*
12 *and as of that date is repealed, unless a later enacted statute, that*
13 *is enacted before January 1, 2017, deletes or extends that date.*
