ASSEMBLY BILL   No. 2123

Introduced by Assembly Member Buchanan

February 23, 2012

An act to amend Section 51102 of the Education Code, relating to pupil instruction.

LEGISLATIVE COUNSEL'S DIGEST

AB 2123, as introduced, Buchanan. Pupil instruction: parental involvement.

Existing law provides that parents or guardians of pupils enrolled in public schools have specified rights and should have specified opportunities with regard to the education of their children. Existing law, upon approval by the State Board of Education, requires the State Department of Education to make materials available that describe a comprehensive partnership at schoolsites that involves parents and guardians of pupils in the public schools of California, as specified.

This bill would make technical, nonsubstantive changes to that latter provision.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.

The people of the State of California do enact as follows:
