

ASSEMBLY BILL

No. 2139

Introduced by Assembly Member Furutani

February 23, 2012

An act to amend Section 22950 of the Education Code, relating to state teachers' retirement.

LEGISLATIVE COUNSEL'S DIGEST

AB 2139, as introduced, Furutani. State teachers' retirement.

The State Teachers' Retirement System provides pension benefits based in part upon credited service. Existing law states that by accepting employment to perform creditable service, a member consents to make contributions for service and compensation. The Teachers' Retirement Law requires the employer to contribute monthly to the system 8% of the creditable compensation upon which members' contributions are based. The Teachers' Retirement Law requires portions of the employer contributions to be deposited in the Teachers' Retirement Fund and the Teachers' Health Benefits Fund. Existing law authorizes a limited amount from the employer contributions to also be deposited into the Teachers' Retirement Program Development Fund.

This bill would make that deposit into the Teachers' Retirement Program Development Fund a required deposit.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.
