

AMENDED IN ASSEMBLY MARCH 29, 2012

CALIFORNIA LEGISLATURE—2011–12 REGULAR SESSION

ASSEMBLY BILL

No. 2164

Introduced by Assembly Member Dickinson

February 23, 2012

An act to amend Section 13332.11 of the Government Code, relating to community college facilities.

LEGISLATIVE COUNSEL'S DIGEST

AB 2164, as amended, Dickinson. Community college facilities.

Existing law generally requires the approval of the Department of Finance and the State Public Works Board before a state agency, including, among others, the California Community Colleges, may expend funds from an appropriation for capital outlay purposes. With respect to the California Community Colleges, this approval is only required for the allocation of state capital outlay funds appropriated by the Legislature.

This bill would exempt from this requirement amounts incurred by a community college district, after the date of final project proposal approval by the *Board of Governors of the California Community Colleges Chancellor's Office*, ~~for working drawings and construction~~. The bill would provide that these amounts may be reimbursed pursuant to an appropriation by the Legislature of funds for preliminary plans, working drawings, and construction and project approval by the Department of Finance and the State Public Works Board.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
