

Introduced by Senator Fuller

February 17, 2011

An act relating to water quality.

LEGISLATIVE COUNSEL'S DIGEST

SB 494, as introduced, Fuller. California regional water quality control boards: perchloroethylene.

Under the Porter-Cologne Water Quality Control Act, the 9 California regional water quality control boards are among the principal state agencies that carry out responsibilities relating to water quality.

This bill would declare the intent of the Legislature to enact legislation that would transfer responsibility for the investigation and remediation of perchloroethylene contamination to the regional boards.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. It is the intent of the Legislature to enact
- 2 legislation that would transfer responsibility for the investigation
- 3 and remediation of perchloroethylene contamination to the
- 4 California regional water quality control boards.
