

AMENDED IN SENATE APRIL 11, 2011

SENATE BILL

No. 908

Introduced by Senator Runner

February 18, 2011

An act to amend ~~Section 366.26 of the Welfare and Institutions Code, relating to dependent children~~ Sections 3102 and 3103 of, and to add Section 3103.7 to, the Elections Code, relating to elections.

LEGISLATIVE COUNSEL'S DIGEST

SB 908, as amended, Runner. ~~Dependent children.~~ Elections: ballots: submission by electronic mail.

Existing law permits a voter to return a vote by mail ballot either by mail to the elections official from whom it came or by personal delivery to the elections official or to a precinct board member at any polling place within the jurisdiction.

Existing law permits a special absentee voter, as defined, who is temporarily living outside of the territorial limits of the United States or the District of Columbia, or is called to military service, to return his or her vote by mail ballot by facsimile transmission to the elections official. The ballot must be received by the closing of the election day polls and accompanied by an identification envelope and an oath of voter declaration in a prescribed form.

Existing law requires a special absentee voter who returns a ballot by facsimile transmission to agree in an oath of voter declaration under penalty of perjury to waive his or her right to a secret ballot and that he or she has not applied for a vote by mail ballot from any other jurisdiction for the election. The elections official is required to determine the voter's eligibility to vote by comparing the voter's

signature from the materials returned by facsimile transmission to the signature on the voter's affidavit of registration.

This bill would permit a member of the Armed Forces of the United States or any auxiliary branch thereof, or his or her spouse or dependent, who is temporarily living outside of the territorial limits of the United States or the District of Columbia, or is called for military services within the United States on or after the final date to make application for a vote by absent voter ballot, to return his or her ballot by electronic mail, as prescribed. The bill would require the ballot to be accompanied by a copy of an identification envelope and an oath of voter declaration in substantially the form described with respect to facsimile transmission of ballots.

This bill would require the elections official to determine the voter's eligibility to vote by comparing the signature on the scanned copy of the identification envelope with the signature on the voter's affidavit of registration.

Because the bill requires elections officials to provide a higher level of service and extends the crime of perjury, it would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

~~Existing law provides that a child may be adjudged a dependent of the court due to abuse or neglect, and prescribes procedures for the juvenile court to follow when permanently terminating parental rights to, or establishing a legal guardianship of, the dependent child. Existing law requires the court, if it determines by a clear and convincing standard that it is likely the child will be adopted, to terminate parental rights and order the child placed for adoption. Under existing law, the fact that the child is not yet placed in a preadoptive home or with a relative or foster family who is prepared to adopt the child shall not constitute a basis for the court to conclude that it is not likely the child will be adopted.~~

~~This bill would make a technical, nonsubstantive change to that provision.~~

Vote: majority. Appropriation: no. Fiscal committee: ~~no~~ yes.
State-mandated local program: ~~no~~ yes.

The people of the State of California do enact as follows:

1 SECTION 1. Section 3102 of the Elections Code is amended
2 to read:

3 3102. Applications for the ballots of special absentee voters
4 shall be received and, except as provided in ~~Section~~ Sections 3103.5
5 and 3103.7, the ballots shall be received and canvassed, at the
6 same time and under the same procedure as vote by mail ballots,
7 insofar as that procedure is not inconsistent with this chapter.

8 SEC. 2. Section 3103 of the Elections Code is amended to read:

9 3103. (a) Any application made pursuant to this chapter that
10 is received by the elections official prior to the 60th day before
11 the election shall be kept and processed on or after the 60th day
12 before the election.

13 (b) The elections official shall immediately send the voter a
14 ballot in a form prescribed and provided by the Secretary of State.
15 The elections official shall send with the ballot a list of all
16 candidates who have qualified for the ballot by the 60th day before
17 the election and a list of all measures that are to be submitted to
18 the voters and on which the voter is qualified to vote. The voter
19 shall be entitled to write in the name of any specific candidate
20 seeking nomination or election to any office listed on the ballot.

21 (c) Notwithstanding Section 15341 or any other provision of
22 law, any name written upon a ballot for a particular office pursuant
23 to subdivision (b) shall be counted for the office or nomination,
24 providing the candidate whose name has been written on the ballot
25 has, as of the date of the election, qualified to have his or her name
26 placed on the ballot for the office, or has qualified as a write-in
27 candidate for the office.

28 (d) Except as provided in ~~Section~~ Sections 3103.5 and 3103.7,
29 the elections official shall receive and canvass special absentee
30 voter ballots described in this section under the same procedure
31 as vote by mail ballots, insofar as that procedure is not inconsistent
32 with this section.

(e) In the event that a voter executes a special absentee ballot pursuant to this section and an application for a vote by mail ballot pursuant to Section 3101, the elections official shall cancel the voter's permanent vote by mail status, and process the application in accordance with Chapter 1 (commencing with Section 3000).

(f) Notwithstanding any other provision of law, a special absentee voter who qualifies pursuant to this section may, by facsimile transmission, register to vote and apply for a special absentee ballot or a vote by mail ballot. Upon request, the elections official may send to the qualified special absentee voter either by mail, facsimile, or electronic transmission the special absentee ballot or, if available, a vote by mail ballot pursuant to Chapter 1 (commencing with Section 3000).

SEC. 3. Section 3103.7 is added to the Elections Code, to read:
3103.7. (a) A person described in paragraph (1) or (4) of subdivision (b) of Section 300 who is temporarily living outside of the territorial limits of the United States or the District of Columbia, or is called for military services within the United States on or after the final date to make application for a vote by mail ballot, may return his or her ballot by electronic mail in the manner prescribed in subdivision (b). To be counted, the ballot returned by electronic mail must be received by the voter's elections official no later than the closing of the polls on election day and must be accompanied by a copy of an identification envelope containing all of the information required by Section 3011 and a oath of voter declaration in substantially the form described in subdivision (a) of Section 3103.5.

(b) To submit a ballot by electronic mail, the ballot and accompanying identification envelope and oath of voter declaration must be scanned to create electronic copies of the documents. The electronic copies of the documents shall be included in the electronic mail sent to the elections official as attachments. The Secretary of State shall adopt uniform regulations for the use of electronic mail in returning ballots.

(c) Notwithstanding the voter's waiver of the right to a secret ballot, each elections official shall adopt appropriate procedures to protect the secrecy of ballots returned by electronic mail.

(d) Upon receipt of a ballot returned by electronic mail, the elections official shall determine the voter's eligibility to vote by comparing the signature on the scanned copy of the identification

1 envelope with the signature on the voter's affidavit of registration.
2 The ballot shall be duplicated and all materials preserved
3 according to procedures set forth in this code.

4 SEC. 4. No reimbursement is required by this act pursuant to
5 Section 6 of Article XIII B of the California Constitution for certain
6 costs that may be incurred by a local agency or school district
7 because, in that regard, this act creates a new crime or infraction,
8 eliminates a crime or infraction, or changes the penalty for a crime
9 or infraction, within the meaning of Section 17556 of the
10 Government Code, or changes the definition of a crime within the
11 meaning of Section 6 of Article XIII B of the California
12 Constitution.

13 However, if the Commission on State Mandates determines that
14 this act contains other costs mandated by the state, reimbursement
15 to local agencies and school districts for those costs shall be made
16 pursuant to Part 7 (commencing with Section 17500) of Division
17 4 of Title 2 of the Government Code.
