No. 953

Introduced by Senator Strickland
(Coauthors: Senators Cannella, Dutton, Harman, and La Malfa)
(Coauthors: Assembly Members Harkey, Nestande, and Portantino)

January 5, 2012

An act to add and repeal Chapter 8.2 (commencing with Section 11820) of Part 1 of Division 3 of Title 2 of the Government Code, relating to government reorganization.

LEGISLATIVE COUNSEL'S DIGEST

SB 953, as amended, Strickland. Government reorganization: realignment or closure.

The State Government Strategic Planning and Performance and Review Act requires each state agency, department, office, and commission for which strategic planning efforts are recommended to develop a strategic plan, as specified, that identifies, among other things, the steps being taken to develop performance measures to implement a performance budgeting system or a performance review. The act also requires that these entities report to the Governor and the Joint Legislative Budget Committee by April 1 of each year on the steps being taken to develop and adopt a strategic plan.

Existing law sets forth specified procedures for the preparation, submission, and implementation of the Governor's reorganization plans.

This bill would enact the Bureaucracy Realignment and Closure Act of 2013. It would establish the Bureaucracy Realignment and Closure

Commission in state government with a specified membership. Beginning on January 1, 2013, the Controller, the Director of Finance, the Legislative Analyst, the Legislative Counsel, *and* the Milton Marks “Little Hoover” Commission on California State Government Organization and Economy, ~~and the State Auditor~~ would be required to develop recommendations for the closure or realignment of state bureaucracies for consideration by the commission. It would require the commission to independently evaluate the recommendations, conduct 3 public hearings, and, by January 1, 2014, have at least one member of the commission visit each state bureaucracy considered for realignment or closure.

This bill would require the commission, before July 16, 2014, to submit a report of its final recommendations to the Governor and the Legislature that establishes a list of state bureaucracies that are proposed to be realigned or abolished. It would require the Governor, upon approval of the list of recommendations, to prepare the list as a reorganization plan and to submit the plan to the Legislature under the provisions relating to the Governor’s reorganization plans.

This bill would repeal the act on June 30, 2015.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Chapter 8.2 (commencing with Section 11820)

11832. Upon the reorganization plan becoming effective, the Director of Finance shall compute the savings in state governmental expenses that are forecast to occur due to the closure or realignment of the state bureaucracies included in the plan and transmit this information to the Governor and the Legislature. It is the intent of the Legislature that these savings be reflected in reduced taxation or state expenditures.

11833. This chapter is repealed as of June 30, 2015.
