AMENDED IN SENATE MARCH 26, 2012

SENATE BILL No. 956

Introduced by Senator Lieu

January 9, 2012

An act to add Chapter 1b (commencing with Section 18500) to Division 8 of the Business and Professions Code, and to amend Section 22054 of the Financial Code, relating to automobile sellers and lenders.

LEGISLATIVE COUNSEL'S DIGEST

SB 956, as amended, Lieu. Buy-here-pay-here automobile sellers and lenders.

(1) Existing law prohibits a person from acting as a dealer in vehicles, as specified, without a license issued by the Department of Motor Vehicles. Existing law governs conditional sales contracts, as defined, for the purchase of motor vehicles, including the enforceability of those contracts. Existing law also governs lease contracts, as defined, for the lease of motor vehicles, including the enforceability of those contracts. Existing law, the California Finance Lenders Law, the violation of which is a crime, provides for the licensure and regulation of finance lenders by the Commissioner of Corporations, but exempts from its provisions a bona fide conditional contract of sale involving the disposition of personal property when that form of agreement is not used for the purpose of evading provisions of that law.

This bill would enact the Buy-Here-Pay-Here Automobile Dealers Act. The bill would define a "buy-here-pay-here automobile dealer" as a person who is required to obtain a license from the Department of Motor Vehicles to act as a dealer in vehicles and who also enters into conditional sales contracts or lease contracts. This bill would require those dealers to obtain a finance lender license and subject them to the other provisions of the California Finance Lenders Law. The bill would also define a "buyer-borrower" as a person who enters into a conditional sales contract or lease contract with a buy-here-pay-here automobile dealer.

This bill would govern the terms and conditions of contracts entered into by a buy-here-pay-here automobile dealer and the rights of the parties, including, but not limited to, requiring a notice to a buyer-borrower of specified rights under the contract, and would provide a buyer-borrower with a private right of action against a buy-here-pay-here automobile dealer who has violated the provisions of the bill.

(2) Existing law, the Collateral Recovery Act, provides for the licensure and regulation of repossession agencies, as defined, and their employees by the Bureau of Security and Investigative Services within the Department of Consumer Affairs.

This bill would impose additional requirements on a buy-here-pay-here automobile dealer seeking to repossess a vehicle, including, but not limited to, prohibiting a dealer from commencing repossession proceedings due to failure to make a scheduled loan payment prior to the 11th day following the day on which that payment was due, requiring a dealer to hire a licensed repossession agency to repossess the vehicle on the dealer's behalf, and prohibiting the dealer from charging the buyer-borrower a fee exceeding $500 for the dealer's costs in connection with the repossession. The bill would also establish a cap on interest rates that could be charged under a buy-here-pay-here sales or lease contract and require a buy-here-pay-here automobile dealer to allow a buyer-borrower ~~2 months~~ *45 days* to repay any penalties, fees, and other charges imposed by the dealer on the buyer-borrower in connection with past due payments that have been brought current.

(3) The bill would require that any additional costs to the Department of Corporations in administering the provisions of the bill be borne by buy-here-pay-here automobile dealers through fees charged by the department.

(4) Because this bill would expand the scope of a crime, the bill would create a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.

The people of the State of California do enact as follows:
