An act to amend Section 65580 of the Government Code, relating to housing.

LEGISLATIVE COUNSEL'S DIGEST

SB 1057, as introduced, Huff. Housing availability.

The Planning and Zoning Law requires each city, county, and city and county to prepare and adopt a general plan that contains certain mandatory elements, including a housing element that analyzes existing and projected housing needs. Existing law includes various legislative findings and declarations related to the statewide importance of housing availability and the responsibility of local government to address regional housing needs.

This bill would make a technical, nonsubstantive change to these legislative findings and declarations.

State-mandated local program: no.
