No. 1380

Introduced by Senator Rubio

(Principal ~~coauthor~~ *coauthors*: Assembly ~~Member~~ *Members Chesbro and Perea*)

February 24, 2012

An act to amend, repeal, and add Section 21152.1 of, and to add and repeal Section 21080.20 of, the Public Resources Code, relating to environmental quality.

LEGISLATIVE COUNSEL'S DIGEST

SB 1380, as amended, Rubio. Environmental quality: California Environmental Quality Act: bicycle transportation plan.

The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of, an environmental impact report (EIR) on a project that it proposes to carry out or approve that may have a significant effect on the environment or to adopt a negative declaration if it finds that the project will not have that effect. CEQA also requires a lead agency to prepare a mitigated negative declaration for a project that may have a significant effect on the environment if revisions in the project would avoid or mitigate that effect and there is no substantial evidence that the project, as revised, would have a significant effect on the environment. CEQA requires the lead agencies to make specified findings in an EIR.

Existing law establishes the Office of Planning and Research (OPR) in the Governor's office. Existing law requires the OPR to assist with, among other things, the orderly preparation of programs of transportation.

Existing law requires a local agency that determines that a project is not subject to CEQA pursuant to certain exemptions and approves or determines to carry out that project, to file notice of the determination with the OPR.

This bill, until January 1, 2018, would exempt from CEQA a bicycle transportation plan for an urbanized area, as specified, and would also require a local agency or person, who determines that the bicycle transportation plan is exempt under this provision and approves or determines to carry out that project, to file notice of the determination with the OPR. *This bill would require OPR to post specified information on its Internet Web site, as prescribed.*

Vote: majority. Appropriation: no. Fiscal committee: ~~no~~-yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 21080.20 is added to the Public Resources
- 2 Code, to read:
- 3 21080.20. (a) This division does not apply to a bicycle
- 4 transportation plan prepared pursuant to Section 891.2 of the Streets
- 5 and Highways Code for an urbanized area for restriping of streets
- 6 and highways, bicycle parking and storage, signal timing to
- 7 improve street and highway intersection operations, and related
- 8 signage for bicycles, pedestrians, and vehicles.
- 9 (b) Prior to determining that a project is exempt pursuant to this
- 10 section, the lead agency shall do both of the following:
- 11 (1) Hold noticed public hearings in areas affected by the bicycle
- 12 transportation plan to hear and respond to public comments.
- 13 Publication of the notice shall be no fewer times than required by
- 14 Section 6061 of the Government Code, by the public agency in a
- 15 newspaper of general circulation in the area affected by the
- 16 proposed project. If more than one area will be affected, the notice
- 17 shall be published in the newspaper of largest circulation from
- 18 among the newspapers of general circulation in those areas.
