## CHAPTER \_\_\_\_\_

An act to amend Section 65040.12 of the Government Code, to amend Section 72000 of, and to add Sections 72001.5, 72002, 72003, and 72004 to, the Public Resources Code, relating to environmental justice.

## LEGISLATIVE COUNSEL'S DIGEST

SB 89, Escutia. Environmental quality: minority and low-income populations.

Existing law establishes the Office of Planning and Research as the coordinating agency in state government for environmental justice programs. Existing law defines “environmental justice” to mean the fair treatment of people of all races, cultures, and incomes with respect to the development, adoption, implementation, and enforcement of environmental laws and policies.

This bill would require the Secretary for Environmental Protection, on or before January 15, 2002, to convene a Working Group on Environmental Justice, composed of various representatives, as specified, to assist the California Environmental Protection Agency in developing an interagency environmental justice strategy. The bill would require the working group to take various actions relating to the development and implementation of environmental justice strategies.

The bill would require the secretary, on or before January 15, 2002, to convene an advisory committee to assist the working group by providing recommendations and information to, and serving as a resource for, the working group. The bill would also require the secretary, not later than January 1, 2006, and every 3 years thereafter, to prepare and submit to the Governor and the Legislature a report on the implementation of the body of law of which this bill would be a part.
