AMENDED IN SENATE APRIL 19, 1999

SENATE BILL

No. 1266

Introduced by Senator Knight
(Coauthor: Assembly Member Robert Pacheco)

February 26, 1999

An act to add Section 35041.3 to the Education Code, relating to the selective service.

LEGISLATIVE COUNSEL'S DIGEST

SB 1266, as amended, Knight. Selective Service Act: registration: high school.

Existing law authorizes school districts to appoint prescribed staff, including, but not limited to, police reserve officers, administrative advisors, and legal counsel.

This bill would require the governing board or boards of any school district to make every reasonable effort to appoint a selective services registrar for each high school, who may be a school employee or a school volunteer who is 18 years of age or older, to help pupils subject to the federal Military Selective Service Act enrolled in the high school register in accordance with that act.

By requiring school districts to comply with these new requirements relating to selective service, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for

making that reimbursement, including the creation of a State Mandates Claims Fund to pay the costs of mandates that do not exceed \$1,000,000 statewide and other procedures for claims whose statewide costs exceed \$1,000,000.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.

The people of the State of California do enact as follows:

2 the following:
